Re: Protest to price increase for Laguna County Sanitation

1. Why is a utility bill on our Property Tax Bill?
2. Why, as a resident in the county are we paying more than 4X what residence pay in the city of Santa Maria?
3. It is very hard for me being on a fixed income to come up with an extra \$1000.00+ on my Property Taxes. I feel this should be billed on a monthly basis as it is a utility.

As a resident of Santa Barbara County I am in protest to the increase to the sewer bill. Most of the residence in the city of Santa Maria pay \$20 a month for sewer. I would like to understand how residence in the county are charged more for their sewer when we are not using anymore then residence in the city! I was told to call the number for Laguna County Sanitation and ask about getting a monthly bill. Nobody answers that number and I couldn't get any information. If it is at all possible to get a monthly bill that would be most appreciated!

Sincerely,

Cheryl Gunlock
