Please provide a clear, complete, and concise statement of the reasons or ground for appeal:

- Why the decision or determination is consistent/inconsistent with the provisions and purposes of the County's Zoning Ordinances or other applicable law;
- There was error or abuse of discretion;
- The decision is not supported by the evidence presented for consideration;
- There was a lack of a fair and impartial hearing; or
- There is significant new evidence relevant to the decision which could not have been presented at the time the decision was made.
- Coastal Zone – Accessory Dwelling Unit appeals: Appellant must demonstrate that the project is inconsistent with the applicable provisions and policies of the certified Local Coastal Program or that the development does not conform to the public access policies set forth in the Coastal Act.

- The decision violates the private club STATUS without adequate protections for members in future.

- member + attorney Kim Seefeld revealed that Mr Warner tried to alter the CUP by a Directors Consent without any noticing. We worry that Mr Warner may argue that members waived their rights to a private club in the future.
