Reference 3 Occupation

Allan Hancock College Trustee

Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I want to increase my involvement and contributions with the community I grew up in. As a student at Allan Hancock, I will be able to provide greater insight to resources that would benefit student populations. Additionally, I am not a stranger to the mental health resources our county has to offer as I have used our psychiatry and therapy services.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

Aside from my customer service positions as a Barista and Expo, I have experience serving for Allan Hancock's student body government as a Co-Director or Public Relations. During this time I participated in hiring and student outreach committees. Additionally, I was Vice President for the Victory Club, a meditation club that focused on students' mental wellness, while working closely with Active Minds, a mental health advocacy club. During the spring, I volunteered for the Isla Vista Community Service District as an Ambassador, promoting and participating in services the district had to offer. Throughout the completion of my Bachelor's in communication, I emphasized psychology and politics in the classes I chose.
