On January 22, 2002, the County Board of Supervisors adopted Resolution 02-031 establishing compensation for the Isla Vista Sidewalk Project of twenty dollars (\$20.00) per square foot of easement area conveyed (Clerk of the Board File No. 02-00103).

The property owners of 1015 Camino Pescadero Road (Kenneth and Christine Pursell) have offered to convey a permanent easement consisting of 78 square feet in exchange for \$2,560 of compensation, of which amount \$1,560 is for the easement area and \$1,000 of which is to compensate the property owners for the loss, replacement and moving of fencing and landscaping.

Execution of these Purchase Contracts will provide the County with the easements necessary for construction of the sidewalk improvements. Escrows will be opened at Chicago Title Company, 1101 Anacapa Street, Santa Barbara. Permanent Easement Deeds executed by the property owners will be brought to the Board of Supervisors for acceptance prior to the close of escrow.

The Transportation Division has reviewed this request and concurs with these real property transactions.

Mandates and Service Levels:

No change in programs or service levels.

Fiscal and Facilities Impacts:

Purchase of these easements will cost the County approximately \$4,000, which includes, in addition to the purchase price, expenses such as title insurance, escrow fees and other miscellaneous expenses. Funds have been budgeted in Dept. 054, Fund 0015, Program 2900, Account 7511.

The only impact to facilities will be the addition of the sidewalk improvements and required maintenance thereto.
