**RE: Notice to Proceed to prepare the EIR for the Gaviota Coast Plan project
Case Numbers: 13GPA-00000-00006 & 13GPA-00000-00007**

Dear Ms. Lind:

This letter serves as your official Notice to Proceed (NTP) to prepare the EIR for the Gaviota Coast Plan project. The total not-to-exceed base contract amount of the EIR is \$185,000.00. An additional amount of not more than \$18,500.00, representing a 10% contingency, may be authorized by the Director of Planning & Development for additional work not included in the original scope of work. This notice authorizes the base contract amount, but not the 10% contingency. Release of the contingency must be approved by P&D prior to the work being conducted. Exceeding the amount for work that is beyond the scope of the current proposal requires subsequent authorization by the Board of Supervisors.

The terms and conditions of this authorization are outlined in the Scope of Work provided as Appendix 1 dated October 9, 2014. Please submit invoices within thirty days of work performed or completed.

Please direct any questions that you may have regarding this NTP to Brian A. Tetley at (805) 884-6848.

Sincerely,

Dianne Black
Assistant Director
