B. There is a need for permanent housing with supportive services for homeless individuals and families within Santa Barbara County, as documented in the County's 2021-2025 Consolidated Plan.

C. On December 17, 2019, the Board of Supervisors of the County of Santa Barbara executed a County HEAP Loan Agreement to provide the Housing Authority of the County of Santa Barbara with \$1,350,000 in Homeless Emergency Aid Program ("HEAP") funds from the State of California pursuant to Chapter 5 (commencing with Section 50210) of Part 1 of Division 31 of the Health and Safety Code, and all other relevant provisions established under SB 850 (Chapter 48, Statutes of 2018) to construct and install fourteen (14) pre-fabricated buildings providing thirty (30) one-bedroom rental units on the property located at 1141 West Cox Lane in Santa Maria, California (the "Property") as more particularly described in Exhibit A ("Legal Description"). The Property is now owned by Borrower, and Borrower intends to use the Project to provide permanent housing for formerly homeless individuals and families.

E. Lender has Inclusionary Housing Ordinance In-Lieu ("IHO In-Lieu") funds available for the Santa Maria Housing Market Area in which the Project is located and Borrower wishes to borrow from Lender and Lender wishes to extend to Borrower an additional loan of IHO In-Lieu funds in the amount of Four Hundred Fifty Thousand Dollars (\$450,000) to complete the Project in accordance with the Budget set forth in Exhibit B. The terms of the County Loan are set out in this County Loan Agreement.

F. The Lender and Borrower reasonably expect that the Project will commence within six (6) months of execution of this County Loan Agreement.

G. On April 21, 2020, Borrower executed a document restricting rents and tenant income titled Amended and Restated County HEAP Loan Regulatory Agreement and Declaration of Restrictive Covenants ("County HEAP Loan Regulatory Agreement") affecting fourteen (14) Units that will be designated by Borrower as the HEAP-Assisted Units, which County HEAP Loan Regulatory Agreement was subsequently recorded against the Property.

H. The County Loan will be evidenced by a promissory note in the amount of Four Hundred Fifty Thousand Dollars (\$450,000) executed by Borrower in favor of Lender, and the County Loan and promissory note will be secured by a deed of trust.

NOW THEREFORE, IN CONSIDERATION of the mutual agreements, obligations, and representations, and in further consideration for the making of the County Loan, Borrower and Lender hereby agree as follows:

Optional services provided must be available to all residents under the same terms and conditions.

5.2 **TENANT SELECTION.** In the selection of tenants, Borrower shall select tenants that qualify as Homeless in accordance with 24 CFR 578.3, and have been entered and prioritized in the CES.

Borrower shall rent the County-Assisted Units to any Qualifying Household according to the tenant selection plan. Borrower shall verify the prospective tenant's eligibility and require from each tenant a statement that such household's income from all sources does not exceed allowable limits as described in the County HEAP Loan Regulatory Agreement.

5.3 This paragraph is left intentionally blank.

5.4 **INCOME CERTIFICATION.** The annual income levels and other qualifications of applicants for County-Assisted Units shall be certified by Borrower no earlier than sixty (60) calendar days prior to the Qualifying Household's expected occupancy of a County-Assisted Unit and recertified annually thereafter by the Borrower. If the household size of a Qualifying Household occupying a County-Assisted Unit changes, the Borrower may request additional information and documentation to determine eligibility.

A. Initial Annual Income Verification. Before the Qualifying Household occupies a County-Assisted Unit, the Borrower shall verify that the annual income provided in an annual income certification is accurate by taking both of the following steps as a part of the verification process:

- (1) Third Party Verification: All third parties (e.g., employer, Social Security Administration, public assistance agency, etc.) are contacted to provide information to verify annual income. Written requests and responses are required; and
- (2) Review of Documents: The Qualifying Household provides documents verifying their annual income (e.g., pay stubs, tax returns, etc.). These documents must then be retained in the Project files.
- (3) Income eligibility of occupants shall be determined using the method defined at 24 CFR 5.609 – 612.

B. Annual Income Recertification. At the time of lease renewal or pursuant to an annual schedule adopted by the Borrower, and no later than the one-year anniversary of the initial annual income verification and annually thereafter, Borrower shall recertify the annual income of each Tenant occupying a County-Assisted Unit using the method as described in Section 5.2, above.

5.5 This paragraph is left intentionally blank.

5.6 **INITIAL LEASING THE PROJECT.** When leasing any County-Assisted Unit in the Project, Borrower shall provide the tenant with a lease with a term of no less than one (1) year and shall comply with 24 CFR 578.49 and any modifications thereto. No rent increase shall occur at any time during the term of the lease. Any termination of the lease or refusal to renew must be only for blatant violations of the lease, and Borrower shall exercise all options to assist tenants with conforming with the lease terms prior to commencement of eviction. Evictions must be preceded by not less than thirty (30) days written notice to the tenant by the Borrower specifying the grounds for the action, except for health and safety violations and notices to pay rent or quit. Thirty (30) days prior to leasing the County-Assisted Units in the Project, Borrower shall submit its proposed rents and utility allowance schedule to Lender for review and approval. By May 31, 2022, and in accordance with Section 4.2, Borrower shall lease the fourteen (14) County-Assisted Units and provide Lender with detailed occupancy data and demographic information on the tenants of the HEAP-Assisted Units:

5.7 **AFFORDABILITY RESTRICTIONS.** The fourteen (14) Units in the Project regulated by the County HEAP Regulatory Agreement shall be designated by Borrower as County-Assisted Units. Each County-Assisted Unit shall be occupied by a Qualifying Household, as set forth in the County HEAP Loan Regulatory Agreement and shall provide tenants access and enjoyment of all outdoor common areas and facilities of the Property on the same basis as tenants occupying all other residential units on the Property.

5.8 **COUNTY-ASSISTED UNIT RENTS.** Rents for County-Assisted Units shall be limited to Qualifying Rents as set forth in the County HEAP Loan Regulatory Agreement.

5.9 **CONFLICTS BETWEEN COVENANTS OR RESTRICTIONS AFFECTING THE PROPERTY.** Any conflicts between the restrictive provisions contained in this County Loan Agreement, County Loan Note, County Loan Deed of Trust, County HEAP Loan Regulatory Agreement, and any other agreements in connection with the County Loan which affect the Property are to be resolved by applying the more restrictive covenants or restrictions which affect the Property.

5.10 **NONDISCRIMINATION.** During the performance of this County Loan Agreement, Borrower and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex (gender), sexual orientation, gender identity, gender expression, race, color, ancestry, religion, creed, national origin (including language use restriction), pregnancy, physical disability (including HIV and AIDS), mental disability, medical condition (cancer/genetic characteristics), age (over 40), genetic information, marital status, military and veteran status, and denial of medical and family care leave or pregnancy disability leave. Borrower and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor or subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code section 12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this County Loan Agreement by reference and made a part hereof as if set forth in full. Borrower and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

5.11 **RECORDS AND REPORTS.** Borrower shall be accountable to Lender for all Funds disbursed to Borrower pursuant to the County Loan Documents. Borrower agrees to maintain records that accurately and fully show the date, amount, purpose, and payee of all expenditures for construction costs drawn from Funds, and to keep all invoices, receipts, and other documents related to expenditures for

construction costs for said Funds for five (5) years after recordation of a notice of completion issued for the Project. Commencing on the first day of April following recordation of a notice of completion issued for the Project, Borrower shall submit reports annually to Lender with information regarding tenant income, rent and unit inspection information. Tenant income, rent, unit inspection information, and all records related to any revenue received by the Project must be kept until five (5) years after the affordability period ends. Records must be kept accurate and current.

Borrower shall promptly comply with all requirements and conditions of the County Loan Documents relating to notices, extensions, and other events required to be reported or requested. Borrower shall promptly supply, upon the request of Lender, any and all information and documentation which involves the Project and cooperate with Lender in the development of the Project.

Borrower shall submit monthly to Lender written Project construction progress reports and an updated construction schedule within ten (10) days following the end of each month, commencing with the execution of this County Loan Agreement and concluding upon the completion of the Project.

Records of all permits, entitlements and approvals, inspections and sign-offs required by all permitting and regulatory authorities and jurisdictions shall be submitted by Borrower to Lender within thirty (30) days following the recordation of the notice of completion.

Copies of the certificate(s) of occupancy shall be submitted by Borrower to Lender upon receipt.

Data on the initial lease-up of the County-Assisted Unit sufficient to close-out the Project shall be submitted by Borrower to Lender within ten (10) days following the execution of the second (2nd) lease for a County-Assisted Unit.

5.12 **AUDITS.** Borrower shall conduct annual audits in accordance with 2 CFR 200 Subpart F and submit to Lender an Annual Financial Statement. Borrower shall make available to Lender for examination at reasonable intervals and during normal business hours all books, accounts, reports, files, and other papers or property with respect to all matters covered by these County Loan Documents, and shall permit Lender to audit, examine, and make excerpts or transcripts from such records. Lender may make audits of any conditions relating to the County Loan.

Lender shall notify Borrower of any records it deems insufficient. Borrower shall have fifteen (15) calendar days from the date of said notice to correct any deficiency in the records specified by Lender in said notice, or, if more than fifteen (15) days shall be reasonably necessary to correct the deficiency, Borrower shall submit a written request to Lender for an extension. Lender shall respond to extension request within fifteen (15) days. Borrower shall begin to correct the deficiency within fifteen (15) days and correct the deficiency as soon as reasonably possible.

5.13 **ENCUMBRANCE OF PROPERTY.** Except as otherwise provided in this County Loan Agreement, Borrower shall not engage in any financing or any other transaction creating any security interest or other encumbrance or lien upon the Property, whether by express agreement or operation of law, or allow any encumbrance or lien to be made on or attached to the Property, except with the prior written consent of Lender. Borrower shall notify Lender in writing in advance of any financing secured by any deed of trust, mortgage, or other similar lien instrument that it proposes to enter into with respect to the Project or Property, and of any encumbrance or lien that has been created on or attached to the Property whether by voluntary act of Borrower or otherwise.

5.14 **TRANSFERS.** Borrower has not made or created, and shall not make or permit any sale, assignment, conveyance, or other transfer of this County Loan Agreement, without the prior written consent of Lender.

5.15 This paragraph is left intentionally blank.

5.16 **FEES, TAXES, AND OTHER LEVIES.** Borrower shall be responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Project, and shall pay such charges prior to delinquency. However, Borrower shall not be required to pay and discharge any such charge so long as (a) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (b) if requested by Lender, Borrower deposits with Lender any funds or other forms of assurance Lender in good faith from time to time determines appropriate to protect Lender from the consequences of the contest being unsuccessful.

5.17 **DAMAGE TO PROPERTY.** If any building or improvement erected by Borrower on the Property is damaged or destroyed by an insurable cause, Borrower shall, at its sole cost and expense, diligently undertake to repair or restore said buildings or improvements consistent with the original plans and specifications for the Project if Borrower reasonably determines that such restoration or repair is economically feasible. Such work or repair shall be commenced within one hundred twenty (120) days after the damage or loss occurs and shall be completed within one year thereafter, subject to any extensions of time granted pursuant to the provisions of Section 4.14. Subject to Borrower's election to rebuild, all insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance proceeds shall be insufficient for such purpose, Borrower shall make up the deficiency.

If Borrower determines that restoration or repair is not economically feasible, then Lender may declare an event of default pursuant to Section 8.1.G below. Upon request by Lender to repay principal, Borrower shall apply insurance proceeds thereto, subject to the rights of lenders under the Senior Loans.

5.18 **EQUAL EMPLOYMENT OPPORTUNITY.** Borrower and all contractors, subcontractors, and professional service providers for the Project shall comply with all requirements concerning equal employment opportunity. Borrower and all contractors, subcontractors, and professional service providers for the Project shall comply with all requirements concerning equal opportunities for business and lower-income persons (referred to as the Section 3 clause of the HUD Act of 1968, 12 U.S.C. 1701u).

ARTICLE 6 INDEMNITY AND INSURANCE

6.2 **INSURANCE.** Borrower shall comply with the insurance provisions set forth in Exhibit F "Standard Indemnification and Insurance Provisions" attached hereto and incorporated herein.

6.3 **NON-LIABILITY OF OFFICIALS, EMPLOYEES AND AGENTS.** No officials, employees and agents of Lender shall be personally liable to Borrower for any obligation created under the terms of these County Loan Documents.

ARTICLE 7 HAZARDOUS MATERIALS

7.1 REPRESENTATIONS AND WARRANTIES. After reasonable investigation and inquiry, Borrower hereby represents and warrants to the best of its knowledge, as of the date of this County Loan Agreement and except as previously disclosed and acknowledged in writing by Lender or as disclosed by the reports based on environmental audit(s) performed on the Property and submitted to Lender, that (a) the Property is not and has not been a site for the use, generation, manufacture, transportation, storage, or disposal of Hazardous Materials in violation of Federal or State law; (b) the Property is in compliance with all applicable environmental and health and safety laws, regulations, ordinances, administrative decisions, common law decisions (whether federal, state, or local) with respect to Hazardous Materials, including those relating to soil and groundwater conditions (“Hazardous Materials Laws”); (c) there are no claims or actions pending or threatened with respect to the Property by any governmental entity or agency or any other person relating to Hazardous Materials; and (d) there has been no release or threatened release of any Hazardous Materials on, under, or near the Property (including in the soil, surface water, or groundwater under the Property) or any other occurrences or conditions on the Property or on any other real property that could cause the Property or any part thereof to be classified as a “hazardous waste property” or as a “buffer zone property” under California Health and Safety Code Sections 25100, et seq., or regulations adopted therewith.

7.2 NOTIFICATION TO LENDER. Borrower shall promptly notify Lender in writing of: (a) the discovery of any concentration or amount of Hazardous Materials of which Borrower becomes aware on or under the Property requiring notice to be given to any governmental entity or agency under Hazardous Materials Laws; (b) any knowledge by Borrower (after verification of the veracity of such knowledge to Lender’s reasonable satisfaction) that the Property does not comply with any Hazardous Materials Laws; (c) the receipt by Borrower of written notice of any Hazardous Materials claims; and (d) the discovery by Borrower of any occurrence or condition on the Property or on any real property located within 2,000 feet of the Property that could cause the Property or any part thereof to be designated as a “hazardous waste property” or as a “buffer zone property” under California Health and Safety Code Sections 25100, et seq., or regulations adopted therewith.

7.3 USE AND OPERATION OF PROPERTY. Neither Borrower, nor any agent, employee, or contractor of Borrower, nor any authorized user of the Property shall use the Property or allow the Property to be used for the generation, manufacture, storage, disposal, or release of Hazardous Materials. Borrower shall comply and cause the Project to comply with Hazardous Materials Laws.

7.4 REMEDIAL ACTIONS. If Borrower has actual knowledge of the presence of any Hazardous Materials on or under the Property, Borrower shall take, at no cost or expense to Lender, all handling, treatment, removal, storage, decontamination, cleanup, transport, disposal or other remedial action, if any, required by any Hazardous Materials Laws or by any orders or requests of any governmental entity or agency or any judgment, consent decree, settlement or compromise with respect to any Hazardous Materials claims. The foregoing, however, shall be subject to Borrower’s right of contest below.

7.5 RIGHT OF CONTEST. Borrower may contest in good faith any claim, demand, levy or assessment under Hazardous Materials Laws if: (a) the contest is based on a material question of law or fact raised by Borrower in good faith, (b) Borrower promptly commences and thereafter diligently pursues the contest, (c) the contest will not materially impair the taking of any remedial action with respect to such claim, demand, levy or assessment, and (d) if requested by Lender, Borrower deposits with Lender any funds or other forms of assurance Lender in good faith from time to time determines appropriate to protect Lender from the consequences of the contest being unsuccessful and any remedial action then reasonably necessary. No Event of Default shall be deemed to exist with respect to any claim, demand, levy or attachment being contested by Borrower under the conditions of this section.

7.6 **ENVIRONMENTAL INDEMNITY.** Without limiting or otherwise affecting the standard indemnity and insurance provisions set forth in Article 6 and/or Exhibit F, Borrower shall defend, indemnify, and hold Lender free and harmless against any claims, demands, administrative actions, litigation, liabilities, losses, damages, response costs, and penalties, including all costs of legal proceedings and reasonable attorney's fees, that Lender may directly or indirectly sustain or suffer as a consequence of any inaccuracy or breach of any representation, warranty, agreement, or covenant contained in this County Loan Agreement with respect to Hazardous Materials, or as a consequence of any use, generation, manufacture, storage, release, or disposal (whether or not Borrower knew of same) of any Hazardous Materials occurring prior to or during Borrower's use or occupancy of the Property.

8.1 **EVENTS OF DEFAULT.** The occurrence of any of the following events shall constitute an "Event of Default" under this County Loan Agreement:

C. Operation. (1) Discrimination by Borrower on any basis prohibited by this County Loan Agreement or applicable law or (2) the imposition of any encumbrances or liens on the Property without Lender's prior written approval that are prohibited under this County Loan Agreement or that have the effect of reducing the priority of or invalidating the County Loan Deed of Trust;

Any substantial or continuous breach by Borrower beyond applicable notice and cure periods of any material obligations imposed on Borrower by any other agreements, including any grant agreements, with respect to the financing, construction, or operation of the Project or the Property, whether or not Lender is a party to such agreement which may materially impair Lender's security;

F. Representations and warranties. A determination by Lender that its security has or will be materially impaired due to the fact that any of Borrower's representations or warranties made in the County Loan Documents, or any certificates, documents, or schedules supplied to Lender by Borrower were untrue in any material respect when made, or that Borrower concealed or failed to disclose a material fact from Lender;

For all Events of Default, Lender shall give written notice to Borrower of any Event of Default by specifying: (a) the nature of the event or deficiency giving rise to the Event of Default, (b) the action required to cure the deficiency, if an action to cure is possible, and (c) a date, which shall not be less than thirty (30) calendar days from the date of the notice or the date the notice was refused, by which such action to cure must be taken or if a cure is not possible within thirty (30) days, to begin such cure and diligently prosecute such cure to completion which shall, in any event, not exceed ninety (90) days from the date of notice to cure. The Lender has the sole but reasonable discretion to determine whatever additional time is needed to cure.

8.3 LENDER'S REMEDIES. Upon the happening of an Event of Default by Borrower and a failure to cure said Event of Default within the time specified in Section 8.2 above, Lender's obligation to disburse Funds shall terminate, and Lender may also, in addition to other rights and remedies permitted by the County Loan Documents or applicable law, proceed with any or all of the following remedies in any order or combination Lender may choose in its sole discretion:

ARTICLE 9 GENERAL PROVISIONS

9.1 **BORROWER'S WARRANTIES.** Borrower represents and warrants (1) that it has access to professional advice and support to the extent necessary to enable Borrower to fully comply with the terms of these County Loan Documents and the County HEAP Loan Regulatory Agreement, and to otherwise carry out the Project, (2) that it is duly organized, validly existing and in good standing under the laws of the State of California, (3) that it has the full power and authority to undertake the Project and to execute the County Loan Documents, (4) that the persons executing and delivering the County Loan Documents are authorized to execute and deliver such documents on behalf of Borrower, (5) that there has been no substantial adverse change in Borrower's financial condition since the date of application for the County Loan such as judgment liens, tax liens, mechanic's liens, bankruptcy, etc.; and (6) that all representations in the Borrower's loan application (including all supplementary submissions) are true, correct and complete in all material respects and are offered to induce Lender to make the County Loan.

The Borrower shall exercise due diligence to ensure that the prohibition in this Section is followed.

B. The conflict of interest provisions of Section 9.3(A) above apply to any person who is an employee, agent, consultant, officer, or any immediate family member of such person, or any elected or appointed official of the County of Santa Barbara, or any person related within the third (3rd) degree of such person.

9.4 **POLITICAL ACTIVITY.** None of the funds, materials, property or services contributed by Lender or Borrower under this County Loan Agreement shall be used for any partisan political activity or the election or defeat of any candidate for public office.

9.5 **PUBLICITY.** Any publicity produced by Borrower for the Project during the term of the County Loan and for one year thereafter shall make reference to the contribution of Lender in making the Project possible. The words "The County of Santa Barbara" will be prominently displayed in any and all pieces of publicity, including but not limited to flyers, press releases, posters, signs, brochures, public service announcements, interviews, and newspaper articles. Borrower further agrees to cooperate with authorized staff and officials of Lender in any Lender-generated publicity or promotional activities undertaken with respect to the Project.

9.6 **TERM OF THIS AGREEMENT.** This County Loan Agreement shall commence on the date set forth in Section 2.5 and remain in full force and effect throughout the term of the County Loan.

9.8 **STATUTORY REFERENCES.** All references in the County Loan Documents or County Loan Regulatory Agreement to particular statutes, regulations, ordinances, or resolutions of the United States, the State of California, or the County of Santa Barbara shall be deemed to include the same statute, regulation, ordinance, or resolution as hereafter amended or renumbered, or if repealed, to such other provisions as may thereafter govern the same subject as the provision to which specific reference was made.

9.9 **TIME.** Time is of the essence in these County Loan Documents.

9.10 **CONSENTS AND APPROVALS.** Any consent or approval of Lender or Borrower required under the County Loan Documents shall not be unreasonably withheld. Any approval required under the County Loan Documents shall be in writing and executed by an authorized representative of the party granting the approval.

9.13 **RELATIONSHIP OF PARTIES.** The relationship of Borrower and Lender for this Project under this County Loan Agreement is and at all times shall remain solely that of a debtor and a creditor, and shall not be construed as a joint venture, equity venture, partnership, or any other relationship. Such amendments shall make specific reference to this County Loan Agreement, and be signed by a duly authorized representative of each party. Such amendments shall not invalidate any parts of this County Loan Agreement that are not changed by the amendment, nor relieve or release Lender or Borrower from its obligations under this County Loan Agreement that are not changed by the amendment. Borrower agrees to not unreasonably withhold its approval of any amendments proposed by Lender that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.

The Director of CSD or designee is authorized to approve at his or her discretion and execute amendments on behalf of Lender to make any one or more of the following changes:

9.18.1 Changes to this County Loan Agreement that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.

9.18.2 Amendments to this County Loan Agreement which are deemed to be minor by the Director of CSD and County Counsel and which do not adversely affect Lender's rights, responsibilities, or interests in this County Loan Agreement.

9.18.3 Consent and Subordination Agreements subordinating the County Loan Documents to the Senior Loans.

9.19 **SEVERABILITY.** Every provision of this County Loan Agreement is intended to be severable. If any provision of this County Loan Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

9.20 **COUNTERPARTS.** This County Loan Agreement may be executed in any number of counterparts, each of which shall be considered an original for all purposes; provided, however, that all such counterparts shall together constitute one and the same instrument.

9.21 **SUBORDINATION.** County hereby agrees to subordinate the County Loan and all documents securing or evidencing the County Loan, including, but not limited to, the County Deed of Trust, to the Senior Loans and the lien of any deed of trust or mortgage securing the Senior Loans.

Lender understands that the construction and permanent financing may be conditioned on the deed of trust or mortgage securing each financing being in a lien position superior to the County Loan and County Loan Deed of Trust. Lender hereby agrees to subordinate the lien priority of its County Loan and County Loan Deed of Trust to the lien priority of a deed of trust or mortgage securing the Senior Loans. Such subordinations shall be effectuated by a recorded subordination agreement that has been reviewed and approved by the County of Santa Barbara Board of Supervisors. By agreeing to this provision, Lender only agrees that the County Loan and County Loan Deed of Trust shall be in a junior lien position to the Senior Loans. Lender shall retain full discretion to approve or reject any other proposed terms of subordination that adversely affect Lender's security interest in the Property. In no event shall Lender be required to subordinate the County HEAP Loan Regulatory Agreement.

9.22 **PERMITTED REFINANCING.** Partnership may refinance the Senior Loans without the prior consent of the County (the "Refinanced Indebtedness"), County hereby agrees to subordinate the Loan and all documents securing or evidencing the Loan, including, but not limited to, the Deed of Trust, to the Refinanced Indebtedness and the lien of any deed of trust or mortgage securing the Refinanced Indebtedness in accordance with Section 9.18.3, provided that the principal balance of the Refinanced Indebtedness does not exceed the then outstanding principal balance of the Senior Indebtedness plus the costs of refinancing the Senior Indebtedness. Notwithstanding the foregoing, County approval shall be required for any Refinanced Indebtedness that increases the total principal of the Senior Loans (i.e., "cash-out" refinance) or significantly increases Borrower's monthly debt service.

9.23 **CHILD SUPPORT COMPLIANCE ACT.** For any Contract Agreement in excess of \$100,000, the Borrower acknowledges in accordance with Public Contract Code 7110, that: (A) The Borrower recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and (B) Borrower, to the best of its knowledge, is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

9.24 **DRUG-FREE WORKPLACE CERTIFICATION.** Certification of Compliance: By signing this County Loan Agreement, Borrower hereby certifies, under penalty of perjury under the laws of State of California, compliance with the requirements of the Drug-Free Workplace Act of 1990 (Government Code 8350 et seq.) and have or will provide a drug-free workplace by taking the following actions:

A. Publish a statement notifying employees and subcontractors that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited and specifying actions to be taken against employees, contractors, or subcontractors for violations, as required by Government Code section 8355(a)(1).

B. Establish a Drug-Free Awareness Program, as required by Government Code section 8355(a)(2) to inform employees, contractors, or subcontractors about all of the following:

1. The dangers of drug abuse in the workplace;
2. Borrower's policy of maintaining a drug-free workplace;
3. Any available counseling, rehabilitation, and employee assistance programs; and,
4. Penalties that may be imposed upon employees, contractors, and subcontractors for drug abuse violations.

2. Will agree to abide by terms of Borrower's condition of employment or subcontract.
