Included in "gross receipts" shall be all receipts, cash, credits and property of any kind or nature, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, interest paid or payable, or losses or other expenses whatsoever, except that the following shall be excluded therefrom:
 - 1. Cash discounts where allowed and taken on sales;
 - 2. Credit allowed on property accepted as part of the purchase price and which property may later be sold, at which time the sales price shall be included as gross receipts;

 7. Whenever there are included within the gross receipts amounts which reflect sales for which credit is extended and such amount proved uncollectible in a subsequent year, those amounts may be excluded from the gross receipts in the year they prove to be uncollectible; provided, however, if the whole or portion of such amounts excluded as uncollectible are subsequently collected they shall be included in the amount of gross receipts for the period when they are recovered;
 8. Receipts of refundable deposits, except that such deposits when forfeited and taken into income of the business shall not be excluded when in excess of one dollar; and
 9. Amounts collected for others where the business is acting as an agent or trustee and to the extent that such amounts are paid to those for whom collected. These agents or trustees must provide the finance department with the names and the addresses of the others and the amounts paid to them. This exclusion shall not apply to any fees, percentages, or other payments retained by the agent or trustees.
- b) "Gross receipts" subject to the cannabis operations tax shall be that portion of the gross receipts relating to business conducted within the unincorporated area of the County.

Section 50A-4 - General Tax.

The cannabis operations tax in this Chapter is enacted pursuant to California Revenue and Taxation Code Section 34021.5, as may be amended, and upon approval by the electorate will be a general tax as authorized by California Constitution Article XIII C and California Government Code Section 53723 as may be amended. As a general tax, the revenue generated by this ordinance may be used for any general governmental purpose.

The foregoing revenues will be allocated annually by the Board of Supervisors through the annual budget process. Such appropriations may be made or revised pursuant to the County Budget Act.

Section 50A-5 - Tax Due Dates and Delinquencies.

The cannabis operations gross receipts tax shall be due and payable and, if not paid shall become delinquent, as follows:

- a) Due Dates. The amount of the gross receipts tax shall be due and payable by first day of January, April, July and October, and shall become delinquent if not remitted to the Treasurer-Tax Collector on or before 5:00 p.m. on the last day of each of those months.
- b) Original Delinquency. For any delinquent payment, the person subject to the tax shall pay ten (10) percent of the amount of the tax in addition to the amount of the tax.
- c) Continued Delinquency. Any person who fails to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency amount of ten (10) percent of the amount of the tax in addition to the amount of the tax and the ten (10) percent amount first imposed upon the original delinquency.

- d) Cancellation of delinquency amounts. The Treasurer-Tax Collector may cancel the Original Delinquency and/or Continued Delinquency amounts imposed on any person if the person provides evidence satisfactory to the Treasurer-Tax Collector that failure to pay timely was due to circumstances beyond the control of the person and occurred notwithstanding the exercise of ordinary care and the absence of willful neglect.
- e) Fraud. If the Treasurer-Tax Collector determines that the nonpayment of any remittance due under this Chapter is due to fraud, an amount of twenty-five (25) percent of the amount of the tax shall be added thereto in addition to the delinquency amounts stated in Subsections b and c of this Section.
- f) Interest. In addition to the delinquency and/or fraud amounts imposed, any person who fails to timely remit any tax imposed by this Chapter shall pay interest at the rate of one-half of one percent per month or fraction thereof on the amount of the tax.
- g) Delinquency, Fraud, and Interest Amounts Merged with Tax. Every delinquency and fraud amount imposed and such interest as accrues under the provisions of this Section shall become part of the tax herein required to be paid.
- h) Criminal Penalty. Any person or persons who make any material misrepresentation of fact for the purpose of avoiding all or any part of the tax imposed by this Chapter shall be guilty of a misdemeanor.

Section 50A-6 - Actions to Collect.

Any tax required to be paid by any person under the provisions of this Chapter shall be deemed a debt owed by the person to the County. Any person owing money to the County under the provisions of this Chapter shall be liable to an action by the County for the recovery of such amount. The County shall be entitled to recover all attorneys' fees, personnel costs and other expenses incurred due to the failure of timely remittance of tax proceeds to the County. Said delinquencies shall be collected in the same manner, and subject to the same priority of lien, as any unsecured tax collection procedure as provided by the California Revenue and Taxation Code, including, but not limited to, liens, seizures, and sale. The provisions of this Section shall not be deemed a limitation upon the right of the County to bring any other action including criminal, civil and equitable actions, based upon the failure to pay the tax, penalties and/or fees imposed by this Chapter or the failure to comply with any of the provisions of this Chapter.

Section 50A-7 - Quarterly Reports.

- a) Every person required to pay the cannabis operations tax under this Chapter shall file with the Treasurer-Tax Collector a report, upon a form provided by the Treasurer-Tax Collector, which report must be received in the office of the Treasurer-Tax Collector on or before 5:00 p.m. on the last day of January, April, July and October, setting forth such information as the Treasurer-Tax Collector shall require, including, but not limited to, the following:
 - 1. The name, state and local license numbers and premise address or other identification of all cannabis operations located in the unincorporated area of the County and operated during the previous three months; and
 - 2. The number of units of cannabis or cannabis products sold or transferred; and

3. The total gross receipts of the cannabis operation; and
 4. The computation of the amount of the gross receipts tax for each such operation due the County.
- b) At the time of filing the report such person shall also pay to the Treasurer-Tax Collector any gross receipts tax which may be shown to be due. The report must be signed by the person required to pay the gross receipts tax or by a managing officer or agent, with the legal authority to bind the cannabis operation, thereof and shall include a declaration substantially as follows:
- “I declare under penalty of perjury that I am authorized to make and file the foregoing statement, and that to the best of my knowledge and belief it is a true, correct, and complete statement made in good faith for the period stated.”
- c) The report required by this Section shall not be conclusive against the County as to the information set forth therein, nor shall the filing of a report preclude the County from collecting by appropriate action any additional tax that is later determined to be due and payable.
- d) Tax statements and payments for all outstanding taxes owed the County are immediately due to the Treasurer-Tax Collector upon cessation of business for any reason.
- e) The Treasurer-Tax Collector may, at his or her discretion, establish shorter or longer report and payment periods for any taxpayer as the Treasurer-Tax Collector deems necessary to ensure collection of the tax.
- f) The Treasurer-Tax Collector may, as part of administering the tax and in his or her discretion, modify the form of payment and take other administrative actions as needed to facilitate collection of the tax.

Section 50A-8 - Recordkeeping Required, Audit and Examination of Records.

Every person required to pay a gross receipts tax under this Chapter shall keep full, true, and accurate records as to the amount of cannabis or cannabis products sold and/or transferred by him or her from operations located within the unincorporated area of the County, for a period of at least seven (7) years, and shall, upon the demand of the Treasurer-Tax Collector, make the records, together with any track and trace reports, shipping documents or sales invoices pertaining to such cannabis or cannabis products, available for the inspection of the Treasurer-Tax Collector at all reasonable times.

The Treasurer-Tax Collector shall have the power to audit and examine all books and records of persons engaged in cannabis operations, including both state and federal income tax returns, California sales tax returns, bank statements, or other evidence documenting the gross receipts of persons engaged in cannabis operations, and, where necessary, all equipment, of any person engaged in cannabis operations in the County, for the purpose of ascertaining the amount of cannabis operations tax, if any, required to be paid by the provisions hereof, and for the purpose of verifying any statements or any item thereof when filed by any person pursuant to this Chapter. If such person, after written demand by the Treasurer-Tax Collector, refuses to make available for audit, examination or verification such books, records or equipment as the Treasurer-Tax Collector requests, the Treasurer-Tax Collector may, after full consideration of all information within his or her knowledge concerning the cannabis operations of the person so refusing, make an assessment in the manner provided in Section 50A-9 of any taxes estimated to be due. The Treasurer-Tax Collector may collect a fee adopted by the Board of Supervisors to pay for the cost of examination

and audit should the books and records be provided in a form insufficient to allow the Treasurer-Tax Collector to make a determination of tax due.

Section 50A-9 - Tax estimates rendered by Treasurer-Tax Collector.

In the event that any person required to pay the gross receipts tax on cannabis operations under this Chapter fails to file a report of the quarterly sales and gross receipts of cannabis or cannabis products as provided in Section 50A-7, or that the information filed in such report is insufficient to enable the Treasurer-Tax Collector to compute the gross receipts tax liability of such person, the Treasurer-Tax Collector shall, by such method as he or she may deem appropriate, estimate the amount of the tax due from the person, along with any additional amounts due pursuant to Section 50A-5. Notice thereof may be sent by the Treasurer-Tax Collector to such person at his or her latest address as shown on the County's records.

Such person may within ten days after the serving or mailing of such notice make application in writing to the Treasurer-Tax Collector for a hearing on the amount assessed. If application by such person for a hearing is not made within the time prescribed, the tax, interest, and additional amounts, if any, determined by the Treasurer-Tax Collector shall become final and conclusive and immediately due and payable. If such application is made, the Treasurer-Tax Collector shall give not less than five days written notice to such person to show cause at a time and place fixed in said notice why such amount specified therein should not be fixed for such tax, interest, and additional amounts. At such hearing, such person may appear and offer evidence why such specified tax, interest, and additional amounts should not be so fixed. After such hearing the Treasurer-Tax Collector shall determine the proper tax to be remitted and shall thereafter give written notice to the person of such determination and the amount of such tax, interest and additional amounts, if any. The amount determined to be due shall be payable after fifteen days unless an appeal is taken as provided in Section 50A-10.

Section 50A-10 - Appeal from Determination of Treasurer-Tax Collector.

Any person subject to the tax aggrieved by any decision of the Treasurer-Tax Collector with respect to the amount of such tax, interest, and additional amounts, if any, may appeal to the Board of Supervisors by filing a notice of appeal with the Clerk of the Board of Supervisors within fifteen days of the serving or mailing of the determination of tax due. The Board of Supervisors shall fix a time and place for hearing such appeal, and the Clerk of the Board of Supervisors shall give notice in writing to such person at his or her last known place of address. The findings of the Board of Supervisors shall be final and conclusive and shall be sent to the appellant. Any amount found to be due shall be immediately due and payable upon the serving or mailing of notice.

Section 50A-11 – Refunds.

- a) Whenever the amount of any cannabis business tax, delinquency amount or interest has been overpaid, paid more than once, or has been erroneously collected or received by the County under this Chapter, it may be refunded to the claimant who paid the tax provided that a written claim for refund is filed with the Treasurer-Tax Collector within one (1) year of the date the tax was originally due and payable.
- b) The Treasurer-Tax Collector shall have the right to examine and audit all the books and business

records of the claimant in order to determine the eligibility of the claimant to the claimed refund. No claim for refund shall be allowed if the claimant refuses to allow such examination of the claimant's books and business records after request by the Treasurer-Tax Collector to do so. The Treasurer-Tax Collector may collect a fee adopted by the Board of Supervisors to pay for the cost of examination and audit should the books and records be provided in a form insufficient to allow the Treasurer-Tax Collector to make a determination on the claim for refund.

- c) In the event that the cannabis operations tax was erroneously paid and the error is attributable to the County, the County shall refund the amount of tax erroneously paid up to one (1) year from when the error was identified.
- d) No refund of any tax collected pursuant to this Chapter shall be made because of the discontinuation, dissolution, or other termination of a business or operation.

Section 50A-12 – Exemptions from the Tax.

- a) The provisions of this Chapter shall not apply to personal cannabis cultivation as defined by California Health and Safety Code Section 11362.2, as may be amended.
- b) The provisions of this Chapter shall not apply to personal use of cannabis that is specifically exempted from state licensing requirements, that meets the definition of personal use in California Health and Safety Code Section 11362.1, as may be amended, or equivalent terminology under state law, and for which the individual receives no compensation whatsoever related to that personal use.

Section 50A-13 – Apportionment.

If a person subject to the tax is operating both within and outside the unincorporated County, it is the intent of the County to apply the cannabis operations tax so that the measure of the tax fairly reflects the proportion of the taxed activity actually carried on in the unincorporated County. For purposes of apportionment as may be required by law, the Treasurer-Tax Collector may promulgate administrative procedures for apportionment in accordance with California state law.

Section 50A-14 – Constitutionality and Legality.

This tax is intended to be applied in a manner consistent with the United States and California Constitutions and California state law. None of the tax provided for by this Chapter shall be applied in a manner that causes an undue burden upon interstate commerce, a violation of the equal protection and due process clauses of the Constitutions of the United States or the State of California or a violation of any other provision of the California Constitution or California state law.

Section 50A-15 - Other Licenses, Permits, Taxes, Fees, or Charges.

Nothing contained in this Chapter shall be deemed to repeal, amend, be in lieu of, replace or in any way affect any requirements for any permit or license required by, under or by virtue of any provision of any other title or chapter of this Code or any other ordinance or resolution of the County, nor be deemed to repeal, amend, be in lieu of, replace or in any way affect any tax, fee or

other charge imposed, assessed or required by, under or by virtue of any other title or chapter of this Code or any other ordinance or resolution of the County. Any references made or contained in any other title or chapter of this Code to any licenses, license taxes, fees, or charges, or to any schedule of license fees, shall be deemed to refer to the licenses, license taxes, fees or charges, or schedule of license fees, provided for in other titles or chapters of this Code.

Section 50A-16 - Change of Ownership.

- a) In the event that there is a change of ownership of any cannabis business, the new owner is required to notify the Treasurer-Tax Collector on any form required by the Treasurer-Tax Collector.
- b) Unless otherwise provided by law, upon the sale of any cannabis business:
 - 1. It is the joint and several liability of both the seller and buyer to remit any tax due. This includes all taxes accrued and payable up until the date of sale; and
 - 2. Any Certificate of Delinquent Cannabis Operations Tax Lien may be filed against both the seller and/or buyer in an amount determined by the Treasurer-Tax Collector.
- c) Following any change of ownership, the cannabis business or operation may be subject to an audit by the Treasurer-Tax Collector or his or her designee.

Section 50A-17 - Payment of Tax Does Not Authorize Unlawful Business and/or Operations.

- a) The payment of a cannabis operations tax required by this Chapter, and its acceptance by the County, shall not entitle any person to carry on any cannabis business or operations or be construed as a permit or license. The tax must be paid whether or not a person obtains a County business license.
- b) No tax paid under the provisions of this Chapter shall be construed as authorizing the conduct or continuance of any illegal or unlawful business, or any business in violation of any local or state law.

Section 50A-18 – Administration of the Tax.

- a) The Treasurer-Tax Collector is authorized to collect the taxes, interest, delinquency amounts, penalties, and fees, and to perform the duties required by this Chapter.
- b) For purposes of administration and enforcement of this Chapter generally, the Treasurer-Tax Collector may from time to time promulgate such administrative rules and procedures consistent with the purpose, intent, and express terms of this Chapter as he or she deems necessary to implement or clarify such provisions or aid in enforcement.
- c) The Treasurer-Tax Collector may take such administrative actions as needed to administer the tax, including, but not limited to:
 - 1. Provide to all taxpayers forms for the reporting of the tax;

Section 50A-19 – Severability.

If any provision of this Chapter or the application thereof to any person or circumstances is held invalid, the remainder of the Chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

Section 50A-20 – Timeframes.

The tax shall take effect beginning July 1, 2018, with the first payments due October 1, 2018.

Section 50A-21 - Remedies Cumulative.

All remedies and penalties prescribed by this Chapter or which are available under any other provision of law or equity are cumulative. The use of one or more remedies by the County shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Chapter.

Section 50A-22 - Amendment or Repeal.

This Chapter may be repealed or amended by the Board of Supervisors without a vote of the people to the extent allowed by law. However, as required by Article XIII C of the California Constitution, voter approval is required for any amendment that would increase the rate of any tax levied pursuant to this Chapter above the maximum rates established by this Chapter. The people of the County of Santa Barbara affirm that the following actions shall not constitute an increase of a tax:

- a) The restoration of the rate of the tax to a rate that is no higher than that set by this Chapter, if the Board of Supervisors has acted to reduce the rate of the tax; or
- b) An action that interprets or clarifies the methodology of the tax, or any definition applicable to the tax, so long as the interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the language of this Chapter; or
- c) The collection of the tax imposed by this Chapter, even if the County had, for some period of time, failed to collect the tax; or
- d) The establishment of a class of persons that is exempt or excepted from the tax or the discontinuation of any such exemption or exception (other than the discontinuation of an exemption or exception specifically set forth in this chapter); or
- e) The Board of Supervisors' adoption of an ordinance or resolution, as authorized by this Section, to raise the tax rate or rates provided that they are not raised to a rate or rates higher than the maximums established herein.

SECTION TWO:

Pursuant to the California Environmental Quality Act (CEQA) Guidelines section 15378(b)(4), adoption of this gross receipts tax ordinance as a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment is not a project subject to the requirements of CEQA. Prior to commencement of any project that may result from the expenditure of revenues from this tax, any necessary environmental review required by CEQA shall be completed.

SECTION THREE:

Except as amended by this Ordinance the Santa Barbara County Code shall remain unchanged and shall continue in full force and effect.

SECTION FOUR:

This Ordinance shall take effect immediately upon its approval of a majority of the votes cast by voters voting upon the Ordinance at the June 5, 2018 election. This Ordinance, or a summary thereof, shall be published in accordance with Government Code section 25124, with the names of the members of the Board of Supervisors voting for and against the same, in a newspaper of general circulation published in the County of Santa Barbara.
