Subject / Title: Provide a **short description** for this budget revision request. For example: "Designate funds for zoning ordinance amendments" or "Distribute proceeds from sale of 2005 COPS".

Sheriff: Shift \$65,000 from Extra Help (LI 6200) and \$25,000 from Overtime (LI 6300) to Professional & Special Services (LI 7460) to appropriately distribute funds within the framework of a new more technologically advanced electronic monitoring service.

Justification: For all changes: explain what the change is for and why it is needed. Attach additional justification, board Letters or spreadsheet, if appropriate. When moving Appropriation: explain why it's available. When Revenue is adjusted: explain the reason for the increase or decrease. For adjustments to General Fund Contingency: explain why no other alternative funding source is available.

The Sheriff's Department plans to contract with a new electronic monitoring vendor that utilizes GPS technology for tracking inmates in the alternate sentencing unit. The increase in cost of the services from the current vendor for the remainder of FY2008-09 will be about \$90,000. This increase will be covered by reducing Extra Help and Overtime budgets as Sheriff staff will be utilized less with the new technology. There will be no impact on the General Fund due to this transfer of funds.
