Summary Text:

The Sheriff's Department requests authorization to dispose of jail records which are eligible for destruction under Government Code Section 26202: records from 01/01/2010 to 12/31/2010, which include Inmate Record files, Inmate Classification files, Visitation Slips, Transportation Log, and files, Court Counts and Rosters, Money Logs, video recordings; records from 01/01/2010 to 12/31/2010, which include All Module diaries or "Redbooks"; and, records from 01/01/2010 to 12/31/2010, which include Daily Recaps. These records are deemed to have no further administrative, legal or fiscal value.

An Application for Destruction of Records Certificate of Approval has been prepared and approved by County Counsel and the Auditor-Controller. If executed by the Board, the records will be destroyed.

Background:

Government Code §26202 allows the Board of Supervisors (by four-fifths vote) to authorize the destruction of records that are more than two years old when “... *the retention of any such record, paper or document is no longer necessary or required for county purposes.*”

Performance Measure:

The recommendation is aligned with actions required by law or by routine business necessity.

Fiscal and Facilities Impacts:
