Item A-16 on the July 17, 2007 agenda was a request from Probation that the Board of Supervisors approve and authorize the Chair to execute a contract with the Community Action Commission of Santa Barbara County (CAC) to provide lunch at the Santa Barbara Juvenile Hall, Villa Esperanza, Camino Segundo, and Casa Floral Counseling and Education Centers and lunch and dinner at the Susan J. Gionfriddo Juvenile Justice Center for the 2007-08 fiscal year. This item was continued to the Departmental Agenda at the August 14, 2007 meeting.

Probation has met with CAC and the Vocational Training Center (VTC) to negotiate a mutually beneficial arrangement which would allow both agencies to provide meals in Santa Maria. The Probation Department, CAC and VTC have reached an agreement. The Probation Department is requesting a continuation of this item to the administrative agenda at the meeting of August 28, 2007 in order to obtain the necessary signatures to bring the two contracts before the Board of Supervisors.
