SUBJECT: 69-AP-067 (05AGP-00000-00033), Sterpa Agricultural Preserve Non-Renewal

Recommendations:

That the Board of Supervisors:

- A. Accept the request for nonrenewal of Agricultural Preserve 69-AP-067, and;
- B. Execute the attached Notice of Nonrenewal by the County Land Conservation Contract for Assessor's Parcel Nos. 099-220-021 and 099-230-012, located approximately 3,300 feet north and southeast of the intersection of Drum Canyon Road and Highway 246, in the Buellton area, Third Supervisorial District.

Alignment with Board Strategic Plan:

The recommendations are primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

On October 7, 2005 the Agricultural Preserve Advisory Committee voted by a unanimous vote of 4 to 0 (Hammock absent) to acknowledge the submission of non-renewal of 69-AP-067 by the

landowner. The effective date for nonrenewal of the contract will be December 31, 2005. The subject property has been in an agricultural preserve since the original contract, 69-AP-067, was approved on January 1, 1970. The owners are requesting non-renewal of the contract as the uniform rules are too restrictive. The site is approximately 1045 acres and is used for open space and grazing.

Section 51245 of the Government Code provides that if either the landowner or the County desires in any year not to renew an agricultural preserve contract, that party shall serve written notice of nonrenewal of the contract upon the other party in advance of the annual renewal date of the contract. The Agricultural Preserve Advisory Committee's position is that while it does not encourage removal of property from preserve status, it recognizes that pursuant to the Uniform Rules of the County's Agricultural Preserve Program, nonrenewal is an accepted method for terminating a contract when the landowner chooses to withdraw from the program.

Mandates and Service Levels:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

The costs associated with processing this contract non-renewal are offset by fees required to be paid by the applicant per the Planning & Development adopted fee schedule.

Permit revenues are budgeted in the Permitting & Compliance Program of the Development Review, North Division on Page D-296 of the adopted 2005 – 2006 fiscal year budget.

After recordation of non-renewal, property taxes on this site will be incrementally increased for the next ten years until full property taxes are assessed.

Special Instructions:

Please record the attached Notice of Nonrenewal by the Landowner following your Board's approval and execution, and distribute copies of the executed Notice as shown on the notice below.
