**TO:** Santa Barbara County Clerk of the Board of Supervisors  
**FROM:** Willow Brown, Planner, Planning & Development

The project or activity identified below is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

**APN:** 001-090-002

**Case No.:** 23EMP-00002

**Location:** 6460 Casitas Pass Road

**Project Title:** Sixty Four Sixty LLC – Emergency Permit – Slope Protection

**Project Applicant:** Eva Turenchalk and Carly Earnest

**Project Description:** This is a report to the Board of Supervisors of the Director of P&D's action to issue an Emergency Permit to allow a repair of an existing slope failure that occurred during the 2023 storm. The Emergency Permit was issued for the placement of approximately 300 linear feet of rock slope protection along the left bank (looking downstream) of Gobernador Creek, as necessary to arrest ongoing bank erosion that threatens to undermine several structures, including the existing residence at 6460 Casitas Pass Road. The newly constructed slope will attempt to reconstruct the pre-disturbance stream bank geometry, and will result in a cross section approximately matching the width of the channel immediately upstream and downstream of the proposed work, outside of the effects of recent erosion. The rock will be placed at a slope of 1.5H:1V. The base will be keyed six feet below the bed of the creek and the top rock will be extended up to the 100-year flood elevation. Live willow stakes will be planted into the interstitial spaces of the rock as it is placed and then native streambed materials (alluvial sands, gravel, and cobble) will be used to fill all remaining voids. The work is expected to be completed within approximately four weeks of permit issuance. The parcel is served by the Carpinteria Valley Water District, an existing septic system and drywell, and the Carpinteria-Summerland Fire District. Access is provided off of Casitas Pass Road. The property is a 6.13-acre parcel zoned AG-I-10 and shown as Assessor's Parcel Number 001-090-002, located at 6460 Casitas Pass Road within the Carpinteria area, First Supervisorial District.

**Cite specific CEQA and/or CEQA Guidelines Section:** CEQA Guidelines Section 15378(b)(5) (Not a Project).

**Reasons to support exemption findings:** *CEQA Guidelines Section 15378(b)(5)* states that an organizational or administrative activity of governments that will not result in direct or indirect impacts to the environment is not considered a project under CEQA. Providing a report that describes the Emergency Permit to the Board of Supervisors is an administrative responsibility that has no impact on the environment and thus is not a project under CEQA.

**NOTICE**

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

**COUNTY DOCUMENTARY HANDLING FEE**

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

**COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS**

**Filing Notice of Determination (NOD):**

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

**Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))**

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

**The county clerk shall mail the following documents to CDFW on a monthly basis:**

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

**DOCUMENT RETENTION**

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

**RECEIPT NUMBER**

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

**DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.**
