Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am a professional, dedicating most of my life to the banking industry. Having recently graduated from the 2017 Antioch University Santa Barbara Women & Leadership Certificate program, I have become more aware of the need to support women in our community. In fact, I am transitioning my class project to a living and breathing Non-Profit Foundation, providing assistance and peer-to-peer support to women who have hit the glass ceiling because of gender discrimination and/or sexual harassment.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I have extensive community service experience, and have served on the Lompoc Chamber of Commerce Board of Directors, a branch of the Channel Islands YMCA Board of Directors, and Rotary Club. I have held the position of Chairwoman twice with the Chamber of Commerce, and once with the YMCA. I am very excited to give back to the Santa Barbara community by serving on the Commission for Women.
