**RE: Evidence MULTISTAT proposal**  
**Our Reference: rdxtox/usa-IPUS05**

Dear Lt. Morris,

Radox Toxicology is pleased to offer this proposal for the purchase of the Multistat analyzer for toxicology drug screening and testing in Santa Barbara County. This analyzer is an excellent analyzer for fast and accurate screening of drugs in postmortem samples.

The Evidence Multistat analyzer and Biochip Array Technology will allow for reliable analysis of toxicology specimen in blood and urine.

Fully automated bench top analyzer

- 3 samples per hour
- Results in 17 minutes
- 1,000 patient data storage capability
- LIMS compatible
- CV less than 10%
- Touch screen color monitor

We are excited at the possibility of the analyzer being considered for procurement in your lab and we look forward to working with the lab.

Thanks,

Ingemar Pedron, M.S. | Sales Executive

**QUOTATION TERMS AND CONDITIONS**

**Delivery**

The analyzer and other products shall be delivered within four (4) weeks of receipt of confirmed purchase order.

**Installation and Training**

Installation will take place at the customer premises as soon as requested after delivery of the analyzer. A technical specialist shall conduct the training course, which will take the form of a two-day course.

**Payment and Credit Terms**

Credit terms of 30 days from product delivery.

**Warranty Period and Service**

The analyzer will be covered by a comprehensive warranty for the period of 12 months from date of installation. This warranty covers all costs of parts, travel and labor.

**Customer and Technical Support**

Immediate technical support will be provided by telephone, with 48-hour turnaround onsite technical support

---

**ALL PRICES QUOTED ARE EXCLUSIVE OF TAX AND FREIGHT.**  
**F.O.B. Kearneysville, WV**

---

This quote is valid until 30 October 2023.

# Federal Super Circular Non-Competitive Request Statement of Facts

Per Code of Federal Regulations Section CFR 200.320 the law states:

Procurement by non-competitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

- (1) The item is available only from a single source;
- (2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
- (3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity; or
- (4) After solicitation of a number of sources, competition is determined inadequate

or

- (5) The item is being issued as a sub-recipient agreement

### Statement of Facts

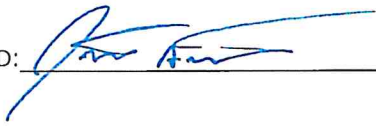

VENDOR NAME: Radox Toxicology

SERVICES OR ITEMS  
REQUIRED: Radox Multistat Analyzer
