2013 Legislative Principles

Job Growth & Economic Vitality

- Support development of employment opportunities
- Promote local businesses and job growth
- Enhance dialog between public, private and non-profit partners

Efficient Service Delivery/ Operations

- Streamline processes and promote operational enhancements
- Oppose legislation that increase burdens on departments

Fiscal Stability

- Generate new intergovernmental revenue; Enhance existing revenue
- Oppose the loss of existing revenues or new unfunded mandates

2013 Legislative Principles

Local Control

- Advocate for local authority and control
- Delivery of services and state mandate relief

Interagency Collaboration

Partner with other agencies on key projects to maximize efficiencies

Health and Human Services

 Maintain and enhance "safety net" services that protect the most vulnerable, including children, the elderly and other "at risk" populations

Community Sustainability

Promote economic stability and environmental stewardship
