If Yes, date from:

TO: Board of Supervisors

FROM: Phillip M. Demery, Director
Public Works

STAFF CONTACTS: Mark Schleich, Deputy Director, x3603
John Pet, Civil Engineering Associate III, x3625

SUBJECT: Construction of "Tajiguas Landfill 48" West Side Storm Drain Relocation," County Project No. 720620, Third Supervisorial District

Recommendation(s):

That the Board of Supervisors:

Accept Notice of Completion for work performed by the Contractor, John Madonna Construction, (not a local Vendor), PO Box 5310, San Luis Obispo, California 93405 and authorize Clerk to record.

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with Goal No. 1, An Efficient Government Able to Anticipate and Respond Effectively to the Needs of the Community.

Executive Summary and Discussion:

This project removed the existing corrugated metal storm drain pipe which was in poor condition and inhibiting the planned development of the Tajiguas Landfill. The pipe was replaced with a new 48" diameter storm drain pipe located on the West side of the landfill access road.

The project was started on August 5, 2002, and was accepted by the Director of Public Works as complete on September 30, 2002.

An extension of time of 10 days was granted to the Contractor in consideration of unexpectedly hard digging conditions and some additional work that will be covered by a change order. The final project cost is expected to be \$156,619.90, which is within the approved contract allocation of \$156,673.

Mandates and Service Levels:

No change in program or service level.

Fiscal and Facilities Impacts:

None with this action.

Special Instructions:

Please send copy of minute order to John Pet and Georgia Navarro of Solid Waste & Utilities Division, Department of Public Works.

Notice of Completion:

1. Original executed document
2. Copy of executed document
3. Copy of executed document
