**If you are now, or have ever been employed by the County of Santa Barbara, please list the department in which you worked, your title, and the dates you were employed.**

Administrative Professional - Department of Behavioral Wellness, Clerk of the Board, County Executive Office and Department of Community Services (2016 - 2019)

**Interests & Experiences**

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

As a multi-ethnic woman, I am interested in serving on the Commission for Women as I believe that I can collaborate with and bring a new perspective to achieving the goals of the Commission regarding equity and equality for all women and girls and most especially for the underserved within the County of Santa Barbara. I have worked with the Commission for Women as a Consultant, liaison and staff assistant so I understand the mission, vision, and values that this Commission holds and wish to be a part of this dynamic group of women creating change.

**Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.**

I have served the Commission for Women in a liaison, staff and consultant capacity. I supported the initiatives of the first "Women Speak Up" event held in 2017 and wrote the executive summary on the project for the Board of Supervisors. I was the Consultant on the 2018 "Women Speak Up" events held across 6 cities and areas countywide. At the end of this project, I compiled a 20-page report on the issues affecting women and girls. This report was presented to the Board of Supervisors for information and action. The Commission for Women received an award for this project from the National Association of California Commissions for Women (NACW). Also, in August of 2019, I graduated with distinction (4.0 GPA) in the Master of Public Administration Program with a concentration in Public Sector Management and Leadership. I have worked on volunteer projects for the Association of California Commissions for Women (ACCW) and I volunteered to assist in the evaluation, analysis, and synthesis of top issues affecting women nationwide and to collaborate on the final report.
