Nov. 30 – Dec. 4, 2009 AS)
"FLOOD AWARENESS WEEK")

WHEREAS, floods can occur in Santa Barbara County in any year, regardless of perceived weather patterns or trends; and

WHEREAS, through the 1990's and as recent at the winter of 2005, Santa Barbara County has seen several above average rain years, including devastating flooding to portions of our community, which should serve as a vivid reminder of the flooding threat we face; and

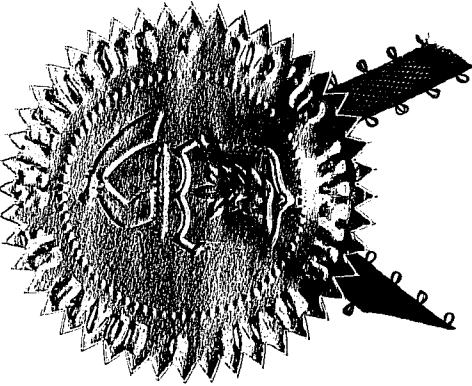

WHEREAS, because of the County's ongoing participation in the National Flood Insurance Program, residents are eligible to purchase federal flood insurance as financial protection against flood losses which do occur; and

WHEREAS, of all the cities and counties in the State of California, residents of unincorporated Santa Barbara County represent one of few such communities able to purchase flood insurance at a 20% discount due to the County's floodplain management efforts; and

WHEREAS, an effective means of reducing flood damages is through public awareness of the flooding potential associated with their homes and businesses; and

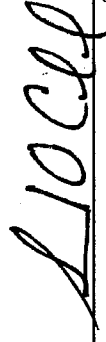

WHEREAS, the Zaca Fire two years ago, and the Gap Fire and Tea Fire last year, and the Jesusita and La Brea Fires this year have increased the flooding potential to our County requiring several additional emergency response projects.
