Jennifer:

As you know, the Residential Support Services contract between the Housing Authority of the City of Santa Barbara (HACSB) and PathPoint ended as of August 31, 2014. The Housing Authority recognizes the critical importance of the onsite clinical case management services provided to our residents by PathPoint, and for that reason our agency agreed to extend payment for these services for an additional four months, through December 31, 2014.

This letter will serve to confirm that the Housing Authority's agreement with PathPoint for the payment of Residential Support Services at El Carrillo Studios, Artisan Court and Bradley Studios ends December 31, 2014 with no further extension. It is our sincere hope that an alternative source of payment is identified so that these critical services may continue to be provided to our clients without interruption.

Thank you for your longstanding dedication to the Housing Authority's mission of serving and housing those in our community most in need. Please do not hesitate to contact me at (805) 897-1032 should you have any questions concerning our collaboration or concerning this letter.

Sincerely,

HOUSING AUTHORITY OF THE
CITY OF SANTA BARBARA

Veronica Loza
Director of Housing Programs
