

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: General Services Department/Support Services Division

Based on a preliminary review of the proposed action, the following activity is determined to be exempt from the environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

APN(s) N/A Case No. Real Property File No. 12A10

LOCATION: 108 East Anapamu Street, Santa Barbara, CA

PROJECT TITLE: Revisions to County Code Chapter 12A

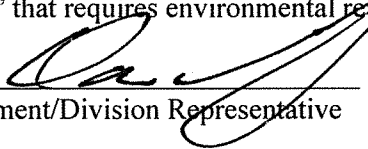

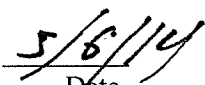

PROJECT DESCRIPTION: The County’s General Services Department is recommending to the Board of Supervisors that the Board approve certain revisions to Articles I and II of Chapter 12A of the County.

EXEMPT STATUS: (Check One)

- Ministerial
- Statutory
- Categorical Exemption [Section 15378]
- Emergency Project
- No Possibility of Significant Effect

Cite specific CEQA Guideline Section: 15378. Project

Reasons to support exemption findings: As set forth in the California Environmental Quality Act (CEQA) Guidelines, Section 15378 of the California Code of Regulations provides an exemption from CEQA review for actions taken that are not considered to be a “project” for purposes of CEQA. Section 15378(b) describes activities not considered to be “projects” for purposes of CEQA. Subsection 15378(b)(2) includes “general policy and procedure making” as such an activity. Therefore, the Board’s proposed action of approving certain revisions to County Code Chapter 12A, regulating the use of County real property and setting forth certain policy and procedures for the County’s acquisition and disposition of certain real property rights, which is not likely to cause a significant effect on the environment, is not a “project” that requires environmental review under CEQA.
