

**CIVIL SERVICE COMMISSION
COUNTY OF SANTA BARBARA**

MINUTE ORDER

June 21, 2007

Present:

Chairman Carlos C. Yanez and Commissioners Richard C. Solomon and Martin L. Mariscal.

Re: Request for extension of "Y" rating for General Services Department employee Karen Takeuchi, Human Resources Technician, for two years or until such time that step-E for Human Resources Technician surpasses her salary.

This employee was "Y" rated under CSR 414 when her job class was reclassified from Accounting Technician Supervisor to Human Resources Technician. The two year time limit will expire on July 4, 2007. The extension is requested because the "Y" rating is still more than \$4.00 an hour higher than step-E as a Human Resources Technician.

On motion to recommend approval of this "Y" rating extension request to the Board of Supervisors, the Commission's vote was unanimous.

Carlos C. Yanez, Chairman
Civil Service Commission
