Re: Diamond Rock Mine Appeals

A facilitation meeting was held on October 27, 2011, in the Board of Supervisors Conference Room. Present on behalf of Appellants were Gene Zannon and Jennifer Lee. Present on behalf of Applicant Diamond Rock Mine were Steve Troesh and Cherisse Troesh. Michael Cooney, 1st District Planning Commissioner, served as facilitator.

Following the facilitation meeting, negotiations between the parties have continued and have resulted in a settlement in principal of the appeal and the separate appeal pending before the Court of Appeal. In order to allow time to prepare and execute settlement documents, the parties jointly request that the Board appeal hearing tomorrow be continued to the meeting of December 13, 2011.
