ICE in---Cartel out!

Santa Barbara County---one of the richest counties in our Nation---needs to COOPERATE FULLY with ICE immigration activities---Why???

Porqué, you say?
 PORQUE Los Carteles son CRIMINALES.

En Mexico, en Las Americas del Sur LOS CARTELS son DIO, aye? No es la verdad en Los Estados Unidos!

in fact, the Cartels from Mexico, who launder ALL of their money HERE---they brought in HUNDREDS OF THOUSANDS of OPERATIVES when our Border was left OPEN and PURPOSEFULLY UNGUARDED--- these are people who WORK directly for these organized criminal networks.

The work done for the strongest criminal network in the word involves: drug and human trafficking, prostitution, money-laundering, theft and theft of services and benefits---TAX EVASION.

These networks operate so well that they HIDE here INSIDE our communities IN SECRET to work AS CRIMINALS.

For ANYONE to act like there are not real, dangerous criminals in this population is lying and also claiming complete hypocrisy because Cartels control ALL the illicit crime activity in our California communities. Organized crime has also installed very secret "agents" who work for their illegal interests in every vulnerable government agency. They also have organized many paid operatives who ACT as if every single illegal immigrant is actually Jesus or the Virgin Mary.

Our illegal immigrant population, who has traditionally ALLOWED and SUPPORTED Cartel activities IN THEIR OWN COUNTRIES and communities, needs to be culled, needs to be filtered and the secret people who SNUCK across our Border need to be FOUND

---just like hundreds and thousands of at risk children who were ALLOWED TO BE TRAFFICKED into our Country !! ---for what reason?

Los Carteles son CRIMINALES.

Recuerda siempre---REMEMBER:

LOS CARTELES SON CRIMINALES!

(All) the Cartel operatives are criminals.

Stop supporting them!

Sincerely,

~ Karin M. Hauenstein
