Original (or initial) claims received after this six month billing limit without an acceptable delay reason code are subject to reduction and/or denial by either the State or County. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

F. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

- B. Cost Report to be Used for Final Settlement. The Cost Report shall be the final financial and statistical report submitted by Contractor to County, and shall serve as the basis for final settlement to Contractor. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Withholding Payment. County shall withhold the final month's payment under this Agreement until such time that Contractor submits its complete Annual Cost Report.
- D. Penalties. In addition, failure of Contractor to submit accurate and complete Annual Cost Report(s) by the ninetieth (90th) day after the close of the Fiscal Year or the expiration or termination date of this Agreement shall result in:
1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the ninety-first (91st) day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement. County shall deduct the Late Penalty assessed against Contractor from the final month's payment due under the Agreement.
 2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred fiftieth (150th) day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement, then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be repaid by Contractor to County. Further, County shall terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.

VIII. PREAUDIT COST REPORT SETTLEMENT.

- A. Pre-audit Cost Report Settlement. Based on the Annual Cost Report(s) submitted pursuant to this Exhibit B Section VII (Cost Reports) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the State and County will perform a pre-audit cost report settlement. Such settlement will be subject to the terms and conditions of this Agreement and any other applicable State and/or federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable federal and/or State programs. Settlement shall be adjusted to the lower of:
1. Contractor's published charge(s) to the general public, as approved by the Contractor's governing board; unless the Contractor is a Nominal Charge Provider. This federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.

IX. AUDITS, AUDIT APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL FINAL SETTLEMENT:

EXHIBIT B

- B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State SD/MC audit, the State and County will perform a post-audit SD/MC settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County.

- C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.

- D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

STANDARD INDEMNIFICATION AND INSURANCE PROVISIONS for contracts REQUIRING professional liability insurance

1. INDEMNIFICATION

Indemnification pertaining to other than Professional Services:

Contractor shall defend, indemnify and save harmless the County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of this Agreement or occasioned by the performance or attempted performance of the provisions hereof; including, but not limited to: any act or omission to act on the part of the Contractor or his agents or employees or other independent contractors directly responsible to him; except those claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities resulting from the sole negligence or willful misconduct of the County.

Contractor shall notify the County immediately in the event of any accident or injury arising out of or in connection with this Agreement.

Indemnification pertaining to Professional Services:

Contractor shall indemnify and save harmless the County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of the negligent performance or attempted performance of the provisions hereof; including any willful or negligent act or omission to act on the part of the Contractor or his agents or employees or other independent Contractors directly responsible to him to the fullest extent allowable by law.

Contractor shall notify the County immediately in the event of any accident or injury arising out of or in connection with this Agreement.

2. INSURANCE

Without limiting the Contractor's indemnification of the County, Contractor shall procure the following required insurance coverages at its sole cost and expense. All insurance coverage is to be placed with insurers which (1) have a Best's rating of no less than A: VII, and (2) are admitted insurance companies in the State of California. All other insurers require the prior approval of the County. Such insurance coverage shall be maintained during the term of this Agreement. Failure to comply with the insurance requirements shall place Contractor in default. Upon request by the County, Contractor shall provide a certified copy of any insurance policy to the County within ten (10) working days.

EXHIBIT C

Workers' Compensation Insurance: Statutory Workers' Compensation and Employers Liability Insurance shall cover all Contractor's staff while performing any work incidental to the performance of this Agreement. The policy shall provide that no cancellation, or expiration or reduction of coverage shall be effective or occur until at least thirty (30) days after receipt of such notice by the County. In the event Contractor is self-insured, it shall furnish a copy of Certificate of Consent to Self-Insure issued by the Department of Industrial Relations for the State of California. This provision does not apply if Contractor has no employees as defined in Labor Code Section 3350 et seq. during the entire period of this Agreement and Contractor submits a written statement to the County stating that fact.

General and Automobile Liability Insurance: The general liability insurance shall include bodily injury, property damage and personal injury liability coverage, shall afford coverage for all premises, operations, products and completed operations of Contractor and shall include contractual liability coverage sufficiently broad so as to include the insurable liability assumed by the Contractor in the indemnity and hold harmless provisions of the Indemnification Section of this Agreement between County and Contractor. The automobile liability insurance shall cover all owned, non-owned and hired motor vehicles that are operated on behalf of Contractor pursuant to Contractor's activities hereunder. Contractor shall require all subcontractors to be included under its policies or furnish separate certificates and endorsements to meet the standards of these provisions by each subcontractor. County, its officers, agents, and employees shall be Additional Insured status on any policy. A cross liability clause, or equivalent wording, stating that coverage will apply separately to each named or additional insured as if separate policies had been issued to each shall be included in the policies. A copy of the endorsement evidencing that the policy has been changed to reflect the Additional Insured status must be attached to the certificate of insurance. The limit of liability of said policy or policies for general and automobile liability insurance shall not be less than \$1,000,000, per occurrence and \$2,000,000 in the aggregate. Any deductible or Self-Insured Retention {SIR} over \$10,000, requires approval by the County.

Said policy or policies shall include a severability of interest or cross liability clause or equivalent wording. Said policy or policies shall contain a provision of the following form:

"Such insurance as is afforded by this policy shall be primary and if the County has other valid and collectible insurance, that other insurance shall be excess and non-contributory."

If the policy providing liability coverage is on a 'claims-made' form, the Contractor is required to maintain such coverage for a minimum of three years following completion of the performance or attempted performance of the provisions of this agreement. Said policy or policies shall provide that the County shall be given thirty (30) days written notice prior to cancellation or expiration of the policy or reduction in coverage.

EXHIBIT C

Professional Liability Insurance. Professional liability insurance shall include coverage for the activities of Contractor's professional staff with a combined single limit of not less than \$1,000,000, per occurrence or claim and \$2,000,000, in the aggregate. Said policy or policies shall provide that County shall be given thirty (30) days written notice prior to cancellation, expiration of the policy, or reduction in coverage. If the policy providing professional liability coverage is on a 'claims-made' form, the Contractor is required to maintain such coverage for a minimum of three (3) years (ten years [10] for Construction Defect Claims) following completion of the performance or attempted performance of the provisions of this agreement.

Contractor shall submit to the office of the designated County representative certificate(s) of insurance documenting the required insurance as specified above prior to this Agreement becoming effective. County shall maintain current certificate(s) of insurance at all times in the office of the designated County representative as a condition precedent to any payment under this Agreement. Approval of insurance by County or acceptance of the certificate of insurance by County shall not relieve or decrease the extent to which the Contractor may be held responsible for payment of damages resulting from Contractor's services of operation pursuant to the Agreement, nor shall it be deemed a waiver of County's rights to insurance coverage hereunder.

3. In the event the Contractor is not able to comply with the County's insurance requirements, County may, at their sole discretion and at the Contractor's expense, provide compliant coverage.

The above insurance requirements are subject to periodic review by the County. The County's Risk Manager is authorized to change the above insurance requirements, with the concurrence of County Counsel, to include additional types of insurance coverage or higher coverage limits, provided that such change is reasonable and based on changed risk of loss or in light of past claims against the County or inflation. This option may be exercised during any amendment of this Agreement that results in an increase in the nature of County's risk and such change of provisions will be in effect for the term of the amended Agreement. Such change pertaining to types of insurance coverage or higher coverage limits must be made by written amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of acceptance of the amendment or modification.
