DRESS CODE AND CONTRABAND

The following is an excerpt from the institution visiting regulations:

CLOTHING: Questions pertaining to a visitor's attire are to be referred to the Operations Lieutenant or the Institution Duty Officer who will make the decision to permit or to deny the visit. Visitors are expected to use good taste in their dress. Persons who come immodestly and/or provocatively dressed may be denied the privilege of visiting. See-through blouses\slacks, tight pants, athletic or jogging shorts are not allowed, but knee length Bermuda type shorts are permitted. The wearing of t-shirts or other form fitting clothes by female visitors without bras is prohibited. Male visitors will not be allowed to wear plain white t-shirts as their only shirt. Shoes must be worn at all times. The wearing of any type of club, gang, or other organization symbols is strictly prohibited. Khaki colored clothing and athletic or sweat pants are also prohibited. The wearing of prohibited clothing items under coats or jackets is also prohibited.

ITEMS ALLOWED TO BE POSSESSED INSIDE THE INSTITUTIONS:

Erring on the side of caution is best. There is very little you will need to bring, other than your materials. Please leave cell phones in your vehicle, and if possible, limit the number of keys on your person. You may even want to leave credit cards, money, and similar items in your vehicle as well. Bottled water will be provided for you. Women may bring a small handbag, if necessary. **Please remember to bring your identification.**

You will be required to pass through a metal detector and, just like the airport, you will be asked to remove your shoes. To expedite this procedure, you may want to wear shoes that can be easily removed and minimize metal objects on your person.
