RE: Oak Hills Estate Board Agenda Item March 13, 2018
Comment Letter

February 21, 2018

Dear Supervisor Williams and Members of the Board,

I am writing to express my support for the Oak Hills Estate project that is going to be heard at the Board of Supervisors on March 13. I agree with the Planning Department's recommendation to approve the subdivision. Housing is in short supply in Lompoc & Vandenberg Village and the businesses in town and on Vandenberg AFB need more housing in order to attract and keep the best employees.

The Mission Club, as a direct neighbor to the project, supports the addition of quality housing in our area and believe the proposed Oak Hills Estate project and design will improve and enhance our community.

We request the Board approve the project and allow it to move forward.

Sincerely,

Russ Sandy
