Department No.: 054
For Agenda Of: February 26, 2019
Placement: Administrative
Estimated Tme: N/A
Continued Item: No
If Yes, date from:
Vote Required: Majority

TO: Board of Directors, Flood Control and Water Conservation District

FROM: Department Scott D. McGolpin, Public Works Director, 568-3010
Director(s)
Contact Info: Thomas D. Fayram, Deputy Public Works Director, 568-3436

SUBJECT: Amendment No 1 to the Agreements to Provide Trucking and On-Call Maintenance Services, All Supervisorial Districts

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Recommended Actions:

- a) Approve and authorize the Chair to execute Amendment No. 1 to the Agreement for Services of Independent Contractor increasing the contract amount by \$500,000 to a total not-to-exceed amount of \$1,000,000 for trucking services with Bob's Backhoe & Trucking BC No. 18-169 (a local vendor);
- b) Approve and authorize the Chair to execute Amendment No. 1 to the Agreement for Services of Independent Contractor increasing the contract amount by \$1,000,000 to a total not-to-exceed amount of \$2,000,000 for trucking services with RLF Trucking & Grading Corp BC No. 18-168 (a local vendor);
- c) Approve and authorize the Chair execute Amendment No. 1 to the Agreement for Services of Independent Contractor increasing the contract amount by \$500,000 to a total not-to-exceed amount of \$1,000,000 for on-call maintenance and protection service with Bob's Backhoe & Trucking BC No. 19-100 (a local vendor);
- d) Approve and authorize the Chair execute Amendment No. 1 to the Agreement for Services of Independent Contractor increasing the contract amount by \$1,000,000 to a total not-to-exceed amount of \$2,000,000 for on-call maintenance and protection services with the following contractors:

- i) Lash Construction, Inc. BC No. 19-098 (a local vendor)
 - ii) Granite Construction Company BC No. 19-101-(a local vendor)
 - iii) R.W. Scott Construction Company Inc. BC No. 19-063 (a local vendor); and
- c) Find that the recommended actions to amend contracts for trucking and maintenance services are fiscal activities not constituting a “Project” within the meaning of the California Environmental Quality Act, as set forth in 14 CCR 15378(b)(4).

Summary Text:

This item is on the agenda in order to approve and authorize the Chair to execute amendments increasing the total not-to-exceed amount for the above-listed trucking and on-call maintenance and protection service agreements. These amendments are needed, as the District has regularly required the use of these services due to impacts from the several storm events the County has experience to date during this year’s rain season. Approving these amendments is recommended by the Flood Control District to allow this essential maintenance and protection work to continue in the Thomas Fire burn area through the end of the term of these contracts on June 30, 2019.

Trucking services are put out to bid out every two years to provide trucking for routine maintenance and for emergency response work. The trucking contracts were awarded to the three low bidders and these amendments are with the two lowest bidders. All work is provided at an hourly rate and on an as-needed basis. Increasing these agreements will continue to allow Flood Control to respond during exigent circumstances to avoid potential harm to the County. The current contract period for these agreements ends June 30, 2019. In accordance with the District’s standard procurement schedule, these as-needed trucking services are set to be re-procured through a competitive process with new agreements in place prior to the end of the current contract period.

Every year, the Flood Control District renews negotiated contracts with a variety of tri-county contractors to provide on-call maintenance and protection services. Pursuant to Public Contract Code Section 21271, the Flood Control District’s Board of Directors may enter into negotiated contracts without advertising for bids if the work consists of protection or maintenance of channels, stormdrains, dams, or other flood control works. Construction projects that require plans and specifications will continue to follow the bidding procedure as required by the Public Contract Code. These annual agreements are approved as part of the budget as ongoing contracts.

Background:

The Flood Control District has on-call maintenance, trucking, and crane service agreements in place for routine maintenance but more importantly in anticipation of emergency response efforts. In addition, the rates for these services are set in the agreements.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

Narrative:

Emergency response costs for these recent storm events were anticipated and included in the adopted FY 2018-19 budget in the Water Resources Division of the Public Works Department as shown on page D-309 in the budget book. If current appropriations have been spent, a Budget Request Revision will be coming before your Board for approval addressing costs and expenditures that will be incurred by the Flood Control District. These costs will also be submitted to the State for reimbursements. The amendment amounts are being set high to continue to be able to respond to rain events in the Thomas Fire burn area.

Key Contract Risks:

The key contracts risks are low for these agreements.

Special Instructions:

Direct the Clerk of the Board to send two originals of each Amendment No. 1 and a copy of the minute order to the Flood Control District office, Attn: Christina Lopez.
