Terms		
All annual and hourly invoices are due upon receipt but no later than 30 days beyond the date of the invoice.		
Delinquent fees are subject to monetary penalties, collections, notice of violations, facility closure, or any combination thereof.		

Monetary penalties are as follows:

- Thirty (30) days after billing invoice date, unpaid portions of an invoice will be considered delinquent and will have a penalty of 10% assessed and a new "Past Due" invoice will be issued. The total amount (fee + penalties) on that Past Due invoice will be due within 30 days of invoice date.
- Any portion of the Past Due invoice that remains unpaid thirty (30) days following its issuance, will have an *additional* penalty of 15% assessed. That total amount (fee + *all* penalties) will be due within 30 days of this final invoice. Unpaid fees following this due date are subject to one or more of the actions noted above.
