RE: Pollyrich Farms Appeal of the Sierra Grande Rural Recreation Project
Conditional Use Permit; 16APL-00000-00005/

Last evening, Planning and Development received a copy of an email communication from Sarah Rains, California Department of Fish and Wildlife. This email raises issues that need to be addressed before the Board of Supervisors acts on the appeal scheduled as item D-1 today. Planning and Development recommend that the Board of Supervisors continue this matter until July 19, 2016 to provide staff with time to analyze the issues raised by the Department of Fish and Wildlife.
