RE: Proposed Code Enforcement Program Updates, Board Hearing of January 19, 2010

Dear Supervisors:

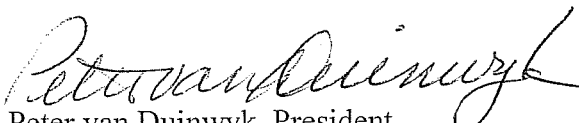

The Montecito Association supports the proposed enhancements to the Code Enforcement Program. As we understand it, the proposed enhancements will allow the County to more efficiently and effectively pursue correction of code violations. While the procedures for issuance of a notice of violation are proposed to change, the program will continue to be complaint-based and violation fees would not change.

Thank you for your continued efforts to ensure that the plans, policies and regulations protecting the communities of Santa Barbara County are enforced.

Sincerely,

**Honorary Directors:**
