DETERMINATION: (select category)

- ☐ Not a Project (§15378)
- ☐ Ministerial Exemption (§15268)
- ☐ Statutory Exemption (§15260)
- ☐ Categorical Exemption (§15354 [15302-33])
- ☒ CatEx - Existing Facilities (§15300)
- ☐ Emergency Project Exemption (§15359)

Scope of Exemption:

Categorical Exemptions are made up of classes of projects that generally are considered not to have potential impacts on the environment. Categorical exemptions are identified and defined in the CEQA Guidelines (14 CCR Section 15300-15331). Categorical exemptions are not allowed to be used for projects that may cause a substantial adverse change in the significance of an historical resource, except when the Department of the Interior Standards are applied. Therefore, lead agencies must first determine if the project has the potential to impact historical resources and if those impacts could be adverse prior to determining if a categorical exemption may be utilized for any given project.
