Summary Text:

The Department of Behavioral Wellness provides mobile crisis services to reduce resources spent by city emergency services departments when dealing with psychiatric emergencies. Approval of the recommended actions will allow Behavioral Wellness to offset the total costs associated with providing mobile crisis services, to ensure continuity of care, and to renew contracts with cities throughout the County which will expire on June 30, 2018.

Background:

In an effort to reduce the burden of providing Mobile Crisis Services in various cities within the County of Santa Barbara, the County entered into revenue agreements with these cities in 1999. These 24/7 services ensure that residents in all areas of Santa Barbara County receive prompt psychiatric intervention, crisis stabilization, and emergency mental health evaluation by trained professionals in case of a psychiatric emergency. Additionally, these services help reduce the burden on public safety agencies and hospitals, as emergency response personnel are able to save time and resources from resolving mental health emergencies. The revenue amounts were calculated using the contribution each city has made in FY 14-15 plus an adjustment applied to each year, based on the Consumer Price Index for All Urban Consumers, Medical Services, which is 2.5% annually. The cities have historically underwritten a portion of the costs of providing such services to their respective residents.

This item was last before the Board in February 2016, to cover services provided in Fiscal Years 2015-2018. Crisis Services expanded in 2015 due to State grant fund availability. These services include an eight (8) bed crisis residential facility in South County, a 12 bed crisis residential facility in North County, a new mobile crisis team in Lompoc, and by January 2016 included a Crisis Stabilization Unit (CSU) located on the Calle Real campus in Santa Barbara. An additional grant funded the initiation of Crisis Triage Teams in all regions.

The crisis residential facilities in Santa Barbara and Santa Maria both opened in June 2015, and provide housing and services for up to 30 days. The Santa Barbara crisis residential facility has since expanded from 8 beds to 10.

The Lompoc mobile team provided increased ability to respond in Lompoc and the central valley to individuals needing emergency assessments.

The crisis triage teams follow up with individuals experiencing psychiatric crises and provide, as needed, linkage and referral to ongoing services and brief case management to bridge individuals to lower levels of care.

Lastly, the CSU is a facility that patients may go voluntarily, for a maximum of twenty-three hours, to assist in the de-escalating a psychiatric crisis.

After further analysis, instead of creating a Crisis Stabilization Unit in the North County as originally planned, it was determined that creating additional temporary residences with treatment up to 30 days was a priority. Therefore, unused grant funds were utilized to do so. As a result, a third crisis residential treatment facility, offering a minimum of six (6) beds for adults who cope with co-occurring mental illness and substance abuse disorder, is scheduled to open in Santa Maria in November 2018.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>FY 18-21 Revenue (Projected):</u>	<u>Annualized On-going Revenue (Projected)</u>
City of Buellton	\$8,897	2.5% increase per year
City of Carpinteria	\$7,157	2.5% increase per year
City of Guadalupe	\$255	2.5% increase per year
City of Lompoc	\$72,392	2.5% increase per year
City of Santa Barbara	\$207,075	2.5% increase per year
City of Santa Maria	\$123,734	2.5% increase per year
City of Solvang	\$7,157	2.5% increase per year
Total	\$426,667	2.5% increase per year

Narrative: No funds are expended by Behavioral Wellness as a part of this agreement. The anticipated revenue has been included in the budget. Based on prior contracts for Mobile Crisis Services and a 2.5% rate increase each year, determined by May’s Consumer Price Index for Medical Services, Behavioral Wellness projects receiving \$8,897 from the City of Buellton, \$7,157 from the City of Carpinteria, \$255 from the City of Guadalupe, \$72,392 from the City of Lompoc, \$207,075 from the City of Santa Barbara, \$123,734 from the City of Santa Maria, and \$7,157 from the City of Solvang, across the three-year term of these agreements.

Key Contract Risks:

There is a risk that any of these cities do not have the budget to pay these amounts. In the event the above cities are unable to make payments for these services, County may cease services.

AGREEMENT

WITH THE CITY OF SANTA BARBARA FOR SUPPLEMENTAL FUNDING FOR MENTAL HEALTH MOBILE CRISIS SERVICES

BC 19089

THIS AGREEMENT (hereafter Agreement) is made by and between the **County of Santa Barbara**, a political subdivision of the State of California (hereafter "County") and **City of Santa Barbara** (hereafter "City") for the continued provision of **Mobile Crisis Services** to City by County, and City's continued payment of fees to County for services rendered.

Whereas, in order to help reduce the burden of providing mental health evaluation services faced by public safety agencies in Santa Barbara County, County previously contracted with American Medical Response (AMR) for the provision of emergency mental health evaluation services (also known as Mental Health Assessment Team (MHAT)) wherein AMR, in coordination with County, responded to suspected psychiatric emergencies presented by individuals over the age of 18 in Santa Barbara County; and

Whereas, during Fiscal Year 2008-09, County expanded programs to include mobile crisis services to provide emergency health evaluation services to adult residents of the County, twenty-four (24) hours per day, seven (7) days per week and eliminated the Contract with AMR for MHAT services; and

Whereas, during Fiscal Year 2015-16, County, in an effort to decrease response times, expedite appropriate care, and relieve overburdened medical and law enforcement personnel, expanded programs to include a Mobile Crisis Team West in Lompoc, in addition to Mobile Crisis teams in the North and South County; and

Whereas, during Fiscal Years 2016-17, County expanded the crisis system to include a Crisis Stabilization Unit (CSU) in Santa Barbara, opened in January 2016; and

Whereas, during Fiscal Years 2018-2019, County will expand the crisis system to include a Crisis Residential Treatment Facility in Santa Maria, scheduled to open in November 2018; and

Whereas, City has historically underwritten a portion of the costs of providing emergency mental health evaluations because services have been provided to City residents; and

Whereas, it is deemed to be in the best interest of City and County that Mobile Crisis Services continue to be delivered to City residents and other Santa Barbara County residents and City thereby agrees to continue its contribution to County for Mobile Crisis Services rendered by County for the period of July 1, 2018 through June 30, 2021.
