Subject / Title: Provide a **short description** for this budget revision request. For example: "Designate funds for zoning ordinance amendments" or "Distribute proceeds from sale of 2005 COPS".

Department of Social Services: Recognize revenue in the amount of \$1,135,891 and increase Social Service special revenue fund balance to reflect \$898,957 of General Fund discretionary dollars, as well as \$236,934 in ARRA funding .

Justification: For all changes: explain what the change is for and why it is needed. Attach additional justification, board Letters or spreadsheet, if appropriate. When moving Appropriation: explain why it's available. When Revenue is adjusted: explain the reason for the increase or decrease. For adjustments to General Fund Contingency: explain why no other alternative funding source is available.

As a result of ARRA funding received by the State of California, the County received a refund of \$898,957 of general fund money previously remitted to the State for costs related to the IHSS program for fiscal year 2008/09. Due to delays at the State, the refund of General Fund money was not received until fiscal year 2009/10. This budget adjustment recognizes \$1,135,891 of revenue (\$898,957 of refunded General Fund discretionary dollars, as well as \$236,934 in ARRA Federal revenue passed through the State to the County) in the Social Services special revenue fund thereby increasing fund balance in the special revenue fund.
