This is Christina Louise Wilson and this is what is currently happening in Santa Barbara even after The Civil Lawsuit was won by me and The Criminal nal Lawsuits were not dropped or dismissed due to an old Missing Persons report and feared dead case of my fatally wounded legally married husband.

Stolen Property, Non Replacement of a stolen Emergency Motel and Housing Choice Vouchers, Planned Theft of New C lol phones, Tablets, Laptops, Computers, Debit and ATM Cards, Prepaid Cards, Gift Cards Corporate Expense Cards and their linked Accounts, Bank Accounts, Savings Accounts, Investment Accounts, Money Market and Mortgage Accounts. People are being allowed to break into my purchased houses, apartment buildings. Condos, Motel Rooms, Hospital Rooms and hold me hostage, kidnap me, take all the above property, steal my new clothes, shoes, boots, sandals, bathing suits, dresses, shorts, coveralls jump suits, jogging suits, sweat suits. Tank tops, pajamas, dresses, suits, barrettes, hair clips, brushes, shampoo and conditioner a, hair styling products jewelery, watches, recording devices, cartons of cigarettes, bracelets, earrings. Anklets, nose rings, rings, rare art and book collections, make up kits and single items, boxes of skin cleansers, facial scrubs, medications, lotions, body sprays, perfumes and bath sets, pens, markers ? me ni photo printers, mini paper printers, mini cameras and listening devices, VHS tapes, cds, rare agreements and court documents, financial agreements, repayments, financial and the rasing accounts and their total value for myself and my deceased multi platinum and talented artist husband reported missing July 26rh 2020 for myself and my husband. With planned jackings and the case against Google and all the theft of my cards even more this last week with people stealing my backpacks and cell phones as previously reported why are you blaming me for your theft? Closing my accounts and cards or freezing them, adding your name onto them and taking me off, and keeping my money, checks, me ney orders, free motel rooms is theft and with nobody helping me it's simply plain theft as I have no support. Help me it's not fair nor is it right or deserving of me to be forced to be homeless, have my kids tortured, sexually abused and kidnapped as 3 if them have been, for ed to be broke and homeless during a high risk pregnancy and cancer is simply bullshit and wrong. My phone never is 1-619-972-2827 and my email address is christinalouisewilson2@gmail.com. currently I'm in Santa Barbara, aca 93102 and this happens here, Lompoc, Goleta, Ventura, Oxnard, Hollywood, Los Angeles Bakersfield etc with no help for my family.
