Memorandum

Date: July 3, 2019
To: Board of Supervisors
From: Ryder Bailey, CPA, Community Services Chief Financial Officer
Subject: CSA 3 - Measure L - Updated Materials since Set Hearing

The Community Services Department previously docketed materials for the June 18th Set Hearing date for the July 16th Administrative Agenda to adjust the Fiscal Year 2019-20 Library Special Tax Rate for County Service Area 3 by the Consumer Price Index for Los Angeles.

Between the Set Hearing and the Board Item date we received the Final CSA 3 Report from our consultants DTA. The difference between these two reports is an additional \$122.10 in taxes will be levied, for a total assessment of \$203,101.14. The variance is driven by 10 lots being re-classified from Vacant Farm land in the Draft Report, to Residential Property in the Final Report.

All other documents and attachments are unchanged from the Set Hearing packet.

If you have any questions please feel free to contact me.
