

# COUNTY OF SANTA BARBARA CALIFORNIA

**RESOLUTION PROCLAIMING  
THE WEEK OF APRIL 21-28, 2007  
INFANT IMMUNIZATION WEEK  
AND THE MONTH OF MAY 2007  
TODDLER IMMUNIZATION MONTH**

*WHEREAS, immunizations are one of the most successful and cost-effective public health tools to prevent dangerous diseases and death; and*

*WHEREAS, timely and complete immunizations for babies between birth and 18 months of age are essential to protect them against the 14 vaccine-preventable diseases; and*

*WHEREAS, high immunization coverage levels in a community mean better protection against vaccine-preventable diseases; and*

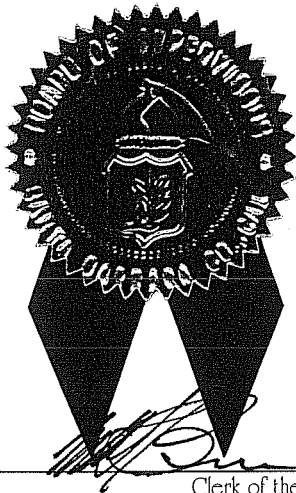

*WHEREAS, childhood diseases still pose a serious threat to infants and toddlers, and complications of these diseases are often devastating to the children and their families; and*

*WHEREAS, getting infants and toddlers immunized on time helps protect the community at large and plays a pivotal role in keeping all Californians healthy; and*

*WHEREAS, because efforts are needed to raise awareness about childhood vaccines that will protect California children against serious diseases;*

**NOW, THEREFORE, BE IT AND IT IS HEREBY ORDERED AND RESOLVED** that the Board of Supervisors of County of Santa Barbara does hereby proclaim the week of April 21-28, 2007 as National Infant Immunization Week and the month of May 2007 as Toddler Immunization Month.

**PASSED AND ADOPTED**, by the Board of Supervisors, County of Santa Barbara, State of California, this seventeenth day of April 2007, by a unanimous vote of all members present.
