Option 4 - Amino Smart Match

Cost and quality baked into Smart Match

Combining our own claims data with quality measures like Leapfrog Hospital Safety Grades, Smart Match highlights providers and facilities that are in-network, highly experienced, safe, and affordable.

Ability to Highlight Key Providers

The County on-site clinic and Carrum Health would come up as a smart match on specific requests

Plan and Member Savings

Even at a very low engagement of 10%, the cost savings for the County of Santa Barbara would result in a 6x ROI back to the plan.
