---

As you recall, the Traditions Behavioral Health Contract was before the Board of Supervisors for consideration on March 18, 2014. At that meeting, the Board directed staff to bring the item back before the Board of Supervisors on April 22, 2014. Given the overall schedule and to ensure that all questions posed are answered, staff requests the continuance of the Traditions Behavioral Health Contract item. At this time, staff has not determined a return date for this item.

Thank you.
