at least 30 days of notice, “to provide information to the public about ICE’s access to individuals and to receive and consider public comment.”

Background:

As of January 1, 2018, Government Code section 7283.1(d) requires the Board of Supervisors to hold at least one community forum annually, with at least 30 days of notice. The purpose is “to provide information to the public about ICE’s access to individuals and to receive and consider public comment.” Notice of the August 22, 2023 community forum will be provided to the public through publication in two newspapers of general circulation. The public notices will be published at least 30 days in advance of the August 22, 2023 hearing in the Santa Barbara News Press and the Santa Maria Times, and with a Sheriff’s Office Press Release.

Section 7283.1(d) also provides that the Sheriff’s Office “May provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted.”

As a part of the community forum, and presentation to the Board of Supervisors, the Sheriff’s Office will present relevant data to the Board of Supervisors and community members on August 22, 2023
