(Type of service)

Access to the CLETS is authorized to public law enforcement and criminal justice agencies (*hereinafter referred to as the CLETS subscribing agency*) only, which may delegate the responsibility of performing the administration of criminal justice functions (e.g., dispatching functions or data processing/information services) in accordance with the Federal Bureau of Investigation's (FBI) Criminal Justice Information Services (CJIS) Security Addendum to a private contractor. The private contractor may access systems or networks that access the CLETS on behalf of the CLETS subscribing agency to accomplish the above-specified service(s). This agreement must be received by the California Department of Justice (CA DOJ) prior to the subscribing agency permitting access to the CLETS. The performance of such delegated services does not convert that agency into a public criminal justice agency, not automatically authorize access to state summary criminal history information. Information from the CLETS is confidential and may be used only for the purpose(s) for which it is authorized. Violation of confidentiality requirements or access authorizations may be subject to disciplinary action or criminal charges.

Pursuant to the policies outlined in the *CLETS Policies, Practices, and Procedures (PPP)* and the Federal Bureau of Investigation's (FBI) *CJIS Security Policy*, it is agreed the CLETS subscribing agency will maintain responsibility for security control as it relates to the CLETS access. Security control is defined as the ability of the CLETS subscribing agency to set, maintain, and enforce:

1. Standards for the selection, supervision, and termination of personnel. This does not grant hiring/firing authority to the CLETS subscribing agency, only the authority to grant CLETS access to personnel who meet these standards and deny it to those who do not.
2. Policies governing the operation of computers, access devices, circuits, hubs, routers, firewalls, and other components that make up and support a telecommunications network and related CA DOJ criminal justice databases used to process, store, or transmit criminal justice information, guaranteeing the priority, integrity, and availability of service needed by the criminal justice community.

Security control includes, but is not limited to, the supervision of applicable equipment, systems design, programming, and operating procedures associated with the development, implementation, and operation of any computerized message-switching or database systems utilized by the served law enforcement agency or agencies. Computer sites must have adequate physical security to protect against any unauthorized viewing or access to computer terminal, access devices, or stored/printed data.

**CLETS PRIVATE CONTRACTOR
MANAGEMENT CONTROL AGREEMENT**

Additionally, it is the responsibility of the CLETS subscribing agency to ensure that all private contractors receiving information from the CLETS meet the minimum training, certification, and background requirements that are also imposed on the CLETS subscribing agency's staff. The minimum requirements are applicable also to staff having access to record storage areas containing information from the CLETS. The minimum requirements include, but are not limited to:

1. Prior to allowing the CLETS access, train, functionally test, and affirm the proficiency of all the CLETS computer operators to ensure compliance with the CLETS and the FBI's National Crime Information Center (NCIC) policies and regulations, if applicable. Biennially, provide testing and reaffirm the proficiency of all the CLETS operators, if applicable.
2. State and FBI criminal offender record information searches must be conducted prior to allowing access to the CLETS computers, equipment, or information. If the results of the criminal offender record information search reveal a record of any kind, access will not be granted until the CLETS subscribing agency can review the matter to decide if access is appropriate. If a felony conviction of any kind is found, access shall not be granted.
3. Each individual must sign a CLETS Employee/Volunteer Statement form (HDC 0009) prior to operating or having access to CLETS computers, equipment, or information.

In accordance with CLETS/NCIC policies, the CLETS subscribing agency has the responsibility and authority to monitor, audit, and enforce the implementation of this agreement by the private contractor. The private contractor agrees to cooperate with the CLETS subscribing agency in the implementation of this agreement and to accomplish the directives for service under the provisions of this agreement. The CLETS Management Control Agreement (HDC 0004B) shall be updated when the head of either agency changes or immediately upon request from the CA DOJ.

By signing this agreement, the vendors and private contractors certify they have read and are familiar with the contents of (1) the FBI's CJIS Security Addendum, (2) the NCIC 2000 Operating Manual, (3) the FBI's CJIS Security Policy, (4) Title 28, Code of Federal Regulations, Part 20, and (5) the CLETS PPP and agree to be bound by their provisions. Criminal offender record information and related data, by its very nature, is sensitive and has potential for great harm if misused. Access to criminal offender record information and related data is therefore limited to the purpose(s) for which the CLETS subscribing agency has entered into the contract. Misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; use, dissemination, or secondary dissemination of information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. Accessing the system for an appropriate purpose and then using, disseminating, or secondary dissemination of information received for another purpose other than execution of the contract also constitutes misuse. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

COUNTY shall pay invoices or claims for satisfactory work within 30 days of receipt of correct and complete invoices or claims from CONTRACTOR.
- D. COUNTY's failure to discover or object to any unsatisfactory work or billings prior to payment will not constitute a waiver of COUNTY's right to require CONTRACTOR to correct such work or billings or seek any other legal remedy.
- E. CONTRACTOR MONTHLY INVOICING REQUIREMENTS
 1. Invoice Format

Monthly invoices shall be in a COUNTY pre-approved format. The invoice shall list costs by staff position (including total hours by position) and operating expense and equipment costs consistent with the line items on the attached ATTACHMENT B-1. All costs claimed by CONTRACTOR for reimbursement by COUNTY shall be identified in the specific format required by COUNTY.
 2. Invoice Linkage to ATTACHMENT B-1 Budget Positions

Any invoiced costs for staff positions or equipment costs not listed in ATTACHMENT B-1 of this Agreement will not be reimbursed by the COUNTY unless approved in advance by the COUNTY.
 3. Invoice Timely Submission

CONTRACTOR shall submit monthly invoices by the tenth of each subsequent month to the COUNTY DESIGNATED REPRESENTATIVE (i.e. representative listed in paragraph 2, Notices, of the main body of this Agreement).
 4. Invoice Signature

Invoices shall be signed and dated by an authorized CONTRACTOR's Designated Representative, as well as, identifying the name and title of the CONTRACTOR's Designated Representative preparing the invoice.

5. Copies of Payroll Ledgers and Timecards

Copies of payroll ledgers and timecards for the invoice service period for each CONTRACTOR's Designated Representative directly claimed on the invoice shall be attached to the invoice. CONTRACTOR will be notified if any invoice is missing copies of required payroll ledgers and timecards. **IMPORTANT: Monthly invoices will not be considered valid until copies of all required payroll ledgers and timecards are received by the COUNTY.**

Allocated Administrative/Overhead costs shall not be reimbursable and shall not be claimed unless such costs are identified and budgeted in ATTACHMENT B-1 of this Agreement.

7. Administrative/Overhead Documentation

Annually, COUNTY may require the CONTRACTOR to submit written documentation to support the calculation of the set percentage and basis used to allocate administrative/overhead costs for the fiscal year in question, as well as, identifying all administrative/overhead costs by line item and by staff position for salaries.

8. Board of Directors List

To the first monthly invoice submitted under this Agreement, the CONTRACTOR shall attach a list of the CONTRACTOR's Board of Directors including addresses, phone numbers and titles of officers who are members of the Board. **IMPORTANT: No invoice shall be considered valid until a copy of this list is received by the COUNTY.**

F. OTHER FINANCIAL REQUIREMENTS

1. CPA Prepared Financial Audit Report

CONTRACTOR shall provide a copy of the most recent CONTRACTOR financial report and related management letter (prepared by a Certified Public Accountant) to County along with the first monthly invoice under this Agreement and annually thereafter with the same calendar month invoice if this Agreement covers multiple years. The submission of the aforementioned audit report and management letter shall be a condition precedent for payment for each year covered by this Agreement.

2. Delivery of Service Commitment

CONTRACTOR is expected to deliver the level of services (by fiscal year) as specified in the attached ATTACHMENT B-1. CONTRACTOR understands and acknowledges that the failure to timely expend funds for any given fiscal year of this Agreement may jeopardize the ability to meet performance measures or legal requirements and may raise questions about the need for services and viability of providing funds for these services.

3. Fiscal Records

CONTRACTOR shall maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the CONTRACTOR's performance of the Agreement in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from support documentation to the accounting record to the financial reports and billings. CONTRACTOR shall keep such records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and as required by law and shall maintain such records for the greater of four (4) years following the termination of this Agreement or as otherwise stated by law and shall be subject to examination and audit by authorized State or COUNTY representatives at any time during CONTRACTOR's regular business hours upon reasonable notice.

4. Inspection of Records

CONTRACTOR shall make sure books, records, documents and other evidence is available to the COUNTY, or its Designated Representative, during the term of the Agreement or final audit, and for four (4) years after the termination of this Agreement or as otherwise required by law, whichever is later, and provide suitable facilities for access, monitoring, inspection, and copying thereof.

5. Access to Staff and Facilities

EXHIBIT C

Indemnification and Insurance Requirements (For Professional Contracts)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Professional Liability** (Errors and Omissions) Insurance appropriate to the CONTRACTOR'S profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:

- i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
- ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
- iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

11. Special Risks or Circumstances – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
