In 2014, the County adopted an update to the 1992 Summerland Community Plan ~~In 1992 the County adopted a Community Plan for Summerland area~~ (see the "Summerland Community Land Use Map" for the Planning Area boundaries). This update to the Summerland Community Plan provides policy direction for issues and development trends specific to the Plan area. The 2014 Summerland Community Plan Update updates the Introduction, Transportation, Circulation and Parking, and Visual and Aesthetics and sections of the Community Plan. This Community Plan describes the community and the relevant issues it faces, including land use, agriculture, recreation, coastal access, circulation, habitats, public services, and visual resources. The Community Plan establishes land use designations and zone districts and includes development standards to guide future development. In addition, the Community Plan contains a number of policies as well as actions which implement the goals and objectives of the Plan. Finally, in addition to the adoption of the Summerland Community Plan Update, the Board of Supervisors also adopted Summerland Residential Design Guidelines and Summerland Commercial Design Guidelines as updates to replace the previously adopted 1992 Board of Architectural Review Guidelines for Summerland.

In addition to the policies of the Coastal Land Use Plan and applicable Comprehensive Plan policies, the goals, objectives, policies and actions of the Summerland Community Plan also apply. Where there are other goals, objectives, policies and actions in the Comprehensive Plan and/or Coastal Land Use Plan which address the same issues as the Summerland Community Plan, those of the Summerland Community Plan shall be applied.
