Recommended Actions:

That the Board of Supervisors:

1. Approve and authorize the Chair to execute agricultural preserve replacement contract 12AGP-00000-00008, consisting of two parcels: 153-010-005 (44.9-acres), and 153-010-006 (.44-acres), for a total of 45.34-acres, located at 161 Paradise Road, in the Santa Ynez area;
2. Execute the attached contract, included as Attachment 1 of this Board Letter, creating Agricultural Preserve, 12AGP-00000-00008;
3. Authorize recordation by the Clerk of the Board; and
4. Find that the proposed action is an administrative activity of the County, which will not result in direct or indirect physical changes in the environment and is therefore not a "project" as defined for purposes of the California Environmental Quality Act (CEQA) under State CEQA Guidelines Section 15378(b)(5).

Summary Text:

This parcel was originally part of Agricultural Preserve Contract 69-AP-007. This preserve consisted of 10 parcels totaling approximately 30,000 acres. A lot line adjustment (94LLA-00000-00001) was approved in 2007. This lot line adjusted the parcel boundaries of three of the parcels thereby requiring replacement contracts.

The proposed Rancho San Fernando Rey Agricultural Preserve Contract (12AGP-00000-00008) would be a prime preserve of 45.34-acres (consisting of two parcels: 153-010-005, (44.9-acres), and 153-010-006 (.44-acres)), located at 161 Paradise Road, Third Supervisorial District (Attachment 3).

The premises contains 45.34-acres (comprised of 7-acres of wine grapes, 20-acres of olives, and 18.34-acres of dry pastures and services roads for the existing agricultural operations). The parcel has no structural or non-agricultural development onsite. The parcel is currently zoned AG-II-100 under the Land Use and Development Code. On May 4, 2012, the Agricultural Preserve Advisory Committee reviewed 12AGP-00000-00008 and determined that this replacement of an agricultural preserve contract is consistent with the Uniform Rules.

Background:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program, which is codified under the Uniform Rules for Agricultural Preserves and Farmland Security Zones. Both the County's Uniform Rules and the Government Code provide that agricultural-preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

Budgeted: Yes

The costs to process the project were borne by the applicant through the payment of processing fees. The total estimated cost to process this agricultural preserve contract is approximately \$2,300.00, and is budgeted in the Permitting Program of the Planning and Development Department, as shown on page D-212 of the adopted 2014/16 FY budget.
