Recommended Actions:

That the Board of Supervisors:

- a) Adopt a Resolution authorizing the District Attorney to renew an Agreement with the California Victim Compensation Board (CalVCB) to provide reimbursement of expedited payment of funeral/burial expenses, crime scene clean-up expenses, and emergency domestic violence and sexual assault relocation expenses for the period of July 1, 2017 through June 30, 2020; and
- b) Determine that the above action is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378(b)(4), because it consists of government funding mechanisms or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

Summary Text:

Through this agreement with CalVCB, the Santa Barbara County District Attorney's Victim-Witness Assistance Program staff assists qualifying victims by paying expenses on an emergency basis when the applicant would suffer substantial financial hardship if the payment was not made. Victim-Witness claims staff processes eligible applicant claims, and authorizes the immediate payment of funeral and burial expenses, crime scene clean-up expenses, and relocation expenses for victims of domestic violence and/or sexual assault. Claims are paid from a County revolving trust account directly to the service provider and/or the victim. Staff then processes and submits claims to CalVCB, and CalVCB issues

reimbursements to the District Attorney's Office to replenish the trust account. Claims are reviewed and evaluated to ensure the reimbursement amounts do not exceed the amounts authorized in State Statute. This program is a critical service to victims in crisis, and is recommended for continuation.

Board approval is required to authorize the District Attorney's Office to renew the agreement with CalVCB to provide expedient financial assistance to crime victims and their families. In order to meet state deadlines and properly receive funding, the District Attorney preliminary executed the revolving fund agreement pending formal authority from the Board of Supervisors.

Background:

Since Fiscal Year 1987-88, the Office of the District Attorney has contracted with the California Victim Compensation Board (formerly the California Victim Compensation and Government Claims Board) to verify claims for victims of serious crimes in order to obtain reimbursement for losses suffered as a result of those crimes. Following the sudden death of a loved one, families are often placed under significant financial hardship due to the cost of funeral/burial expenses. Typically, these types of services providers are unable to wait until CalVCB reimbursement claims have been paid to receive their payments.

In January 1999, CalVCB established an agreement with the Office of the District Attorney, which enabled the Victim Witness Assistance Program to provide immediate payment of a victim's funeral/burial expense directly to the service provider through a County trust account, thereby alleviating the surviving family's financial burden. Effective July 2000 and 2002, the program was mandated to provide emergency relocation funds to victims of domestic violence. It was later expanded to include victim reimbursement for crime scene clean-up expenses, and emergency relocation expenses for victims of sexual assault.

During the period of July 1, 2016 to June 30, 2017, a total of \$21,557 in funeral/burial expenses were paid to victims of violent crime.

Performance Measure:

Process victim claims for emergency funeral/burial and relocation through the County Auditor-Controller's Office within 72 hours of receiving the victim's request.

Fiscal Analysis:

There is no fiscal impact associated with this agreement. In Fiscal Year 2000 - 2001, CalVCB allocated \$25,000 to the Office of the District Attorney to pay qualifying claims. This funding will continue to be replenished as-needed on an expense reimbursement basis for the agreement period.
