Re: Withdrawal of Appeal
14CUP-00000-00011, 4599 Kenneth Avenue

To Whom It May Concern:

We write to you on behalf of our client Verizon Wireless. Regrettably, due to the action of the Flood Control and Water Conservation District withdrawing authorization to pursue this application on its property, Verizon Wireless must withdraw the appeal of the above-captioned application that was denied by the Planning Commission. Verizon Wireless continues to believe that the Flood Control and Water Conservation District property remains the least intrusive location for placement of a disguised wireless facility to serve an identified significant gap in its network services in Orcutt. Verizon Wireless will pursue alternative locations for placement of a facility, including the likely placement of facilities in the County right-of-way, in order to meet the demand of wireless customers in Orcutt.

Very truly yours,

Paul B. Albritton
