**Subject:** Photos for Public Comment 6.14.22 Community Services

**Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.**

Hello, I would like to make a public comment under Community Services & Public Facilities when that time slot allows at the June 14 Budget Hearings. And possibly to hold over to June 15 if the hearing is prolonged and Community Services is put off until the next day.

I would like the following photos of University Circle Park CSA-3 Open Space to be displayed during my comments, in the following order. I can either call out for each one or else they can be displayed slowly over the 3 minutes and I can describe over them. I am low-tech so please contact me if any questions.

Thank you,  
Bonnie Freeman, Community Activist
