SUBJECT: Renewal of Agreements for Animal Control Services with Cities of Goleta, Solvang and Guadalupe

Recommendation(s): That the Board of Supervisors:

- A. Execute the Agreement with the City of Goleta to provide animal control services for the period July 1, 2004 to June 30, 2005 in the amount of \$157,813.
- B. Execute the Agreement with the City of Solvang to provide animal control services for the period July 1, 2004 to June 30, 2005 in the amount of \$27,198.
- C. Execute the Agreement with the City of Guadalupe to provide animal control services for the period July 1, 2004 to June 30, 2005 in the amount of \$31,380.

Alignment with Board Strategic Plan:

The recommendations are primarily aligned with:

Goal #1: An Efficient Government Able to Respond Effectively to the Needs of the Community.

Goal #2: A Safe and Healthy Community in Which to Live, Work, and Visit.

Executive Summary and Discussion:

The Cities of Goleta, Solvang and Guadalupe have full-service contracts that are scheduled for renewal July 1, 2004. The Animal Services full-service contract provides for: enforcement of local and state ordinances, stray animal impoundment, lost and found services, injured animal emergency care, advice and assistance with wildlife issues, dead animal pick-up, pet adoption, after hours emergency response and opportunities for volunteerism.

The Agreements are based on a per capita rate that the cities and the Public Health Department agreed upon for services provided over the course of the year.

Other Contract City Outstanding Agreement FY 2004-05

The Department and the City of Santa Maria are currently finalizing negotiations on an agreement with an effective date of July 1, 2004. This is the only remaining contract for animal services in Santa Barbara County cities for Fiscal Year 2004-05.

Mandates and Service Levels:

The County is mandated "to maintain or provide for the maintenance of a pound system and a rabies control program..." (H&S 121690 {e}). These services will continue to be provided.

Fiscal and Facilities Impacts:

Approval of these Agreements will not increase the department's request for General Fund Contribution or use of A87 Plan Overhead. On June 4, 2002, your Board approved a per capita methodology for full-service incorporated areas beginning FY 2002-2003. At that time, the change in methodology would have been a financial hardship to the existing cities if implemented all at once, so a graduated increase with full cost recovery within four (4) years was offered. Fiscal Year 2004-2005 begins the 3rd year of the four-year plan. When the City of Goleta was incorporated, the Agreement was set at 100% cost recovery because of the prevailing revenue neutrality agreement. The General Fund contribution to Animal Services was reduced by a commensurate amount. All contract agreements with Cities continue to exclude A87 Plan charges (County Wide Cost Allocation) and mandated services costs.

A. The City of Goleta has opted for a one year Agreement. For fiscal year 2004-2005, the \$157,813 is based on a population of 28,400 and represents 100% of full service costs.

B. The City of Solvang has opted for a one year Agreement. For fiscal year 2004-2005, the \$27,198 is based on a population of 5,438 and represents 90% of full service costs.

C. The City of Guadalupe has signed a one-year Agreement, and for fiscal year 2004-2005, the \$31,380 is based on a population of 6,275 and represents 90% of full service costs.

It is the intent of the Public Health Department to continue its long term goal of financial viability for Animal Services program. This means the recovery of as much cost as allowable, while keeping in mind the balance of our fees with the industry average and our service level commitments. The next task to be analyzed is the adequacy of fees for services to the cities that have their own field officers.

The appropriation for the expenditures funded by these Agreements have been adopted as part of the Public Health Department's FY 2004-2005 budget and can be found in the County's FY 2004-2005 Operating Plan on page D-192 in the Animal Services cost center.

Execution of these Agreements will not result in any additional staff or need for facilities.

Special Instructions:

Please request the Chair to execute four (4) original Agreements for each City Agreement. Please return three (3) original signed Agreements for each City. Send one conformed copy to Enrique Sanchez at the County Legal Department. Please also send one copy of the minute order.

Please return all the required documents to PHD Contracts Unit, 300 N. San Antonio Road, Bldg 8, Santa Barbara, CA 93110 Attn: Margaret A. Granger (extension 5367).
