

BOARD OF SUPERVISORS
AGENDA LETTER

Agenda Number:

Clerk of the Board of Supervisors
105 E. Anapamu Street, Suite 407
Santa Barbara, CA 93101
(805) 568-2240

Department Name: Public Works
Department No.: 054
For Agenda Of: May 17, 2022
Placement: Administrative
Estimated Time: N/A
Continued Item: No
If Yes, date from:
Vote Required: Majority

TO: Board of Supervisors
FROM: Department Director: Scott D. McGolpin, Public Works Director, 568-3010
Contact Info: Chris Sneddon, Deputy Director, Transportation, 568-3064
SUBJECT: State Road Maintenance and Rehabilitation Account List of Projects Fiscal Year 2022/23; All Supervisorial Districts

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: N/A

Recommended Actions:

That the Board of Supervisors:

- a) Approve and adopt the attached Resolution establishing a list of projects for fiscal year 2022/23 funded by the State's Road Repair and Accountability Act of 2017; and
- b) Find that the State Road Maintenance and Rehabilitation Account List of Projects for Fiscal Year 2022/2023 is exempt from the provisions of the California Environmental Quality Act pursuant to 14 Cal. Code of Reg. Section 15301(c) (as the proposed project(s) consists of the operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities), and approve the filing of the attached Notice of Exemption on that basis.

Summary Text:

This item is on the agenda to fulfill requirements for Road Maintenance and Rehabilitation Account (RMRA) funding as provided by Senate Bill 1 by adopting a list of proposed projects.

Pursuant to Section 2034 of the Streets and Highways Code, the list of projects must be adopted by resolution, and must include:

- a description and the location of each proposed project;
- a proposed schedule for the project's completion; and
- estimated useful life of the improvement.

The County's proposed project list is included as Exhibit 1 to the Resolution (Attachment A). This list assumes an estimated \$7.8M in RMRA apportioned to the County for deferred maintenance in FY22/23, and also includes work planned for General Funds and other road maintenance funding. The State provided this estimate in early 2022. If the County receives revisions lowering FY22/23 revenues due to COVID-19, the department will modify work plans accordingly.

Background:

On April 28, 2017, the Governor signed Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 to address significant multi-modal transportation funding shortfalls statewide. RMRA funds are apportioned directly to eligible cities and counties for basic road maintenance, rehabilitation, and critical safety projects on the local streets and roads system. As part of the SB 1 Bill's commitment to accountability and transparency, agencies must submit a list of proposed work using RMRA funds for the upcoming fiscal year to the California Transportation Commission. Pursuant to SHC Section 2034(a)(1) all projects must be adopted by Resolution by the County Board of Supervisors at a regular public meeting.

Narrative:

FY 2022/2023 Capital Maintenance planning assumes an estimated \$7.8M of RMRA funding apportioned to the County for deferred maintenance. Backlog and deferred maintenance discussions often focus on pavement, because the backlog grows with each year of deferred preservation work. However, there are four other major transportation assets that must be maintained as well: trees and hardscape, bridges, drainage systems, and traffic operations components. RMRA funding will address pavement maintenance; guardrail and traffic device upgrades and replacements; sidewalk infills and repairs; bridge maintenance; and drainage work. The attached project list reflects a comprehensive approach to maintain critical infrastructure components that make up the transportation network.

An adopted work list is required for an agency to be eligible for FY 22/23 RMRA funding. Exhibit 1 of Attachment A includes the required list of proposed projects. Lists can be revised and amended through the annual reporting process at the close of each fiscal year. As set forth in SB 1, the project list does not limit the flexibility of an eligible county to fund projects in accordance with local needs and priorities so long as the projects are consistent with the Road Maintenance and Rehabilitation Program guidelines. (SHC § 2034(a)(1))

Fiscal and Facilities Impacts:

Budgeted: N/A

The budget for FY 22/23 has not been adopted by the board yet; the proposed budget includes these projects. If adopted, project funds will be budgeted in Dept. 054, Fund 0016, Org. Unit 0500.

Special Instructions:

Please forward a certified, stamped Minute Order to Gail Ocheltree in the Public Works Department, Transportation Division, Engineering Section office, 123 E. Anapamu Street, Santa Barbara, extension x83094.
