Re: **Request Continuance of Item A-22 on the May 3, 2011 Agenda
"Lower Mission Creek Flood Control and Restoration Project,
Reach 1A, Phase I" to May 10, 2011**

The Flood Control District requests that Item A-22 on the May 3, 2011 Board Agenda be continued until the May 10, 2011 Board Agenda. County Counsel has requested this item be delayed for one week so a revised board letter could be filed to include additional CEQA language.
