Summary Text:

The Department of Social Services (DSS) will be allocated \$43,240 from the State of California, Department of Housing and Community Development (HCD) to provide Housing Navigation Program (HNP) services in Santa Barbara County.

Background:

Pursuant to Item 2240-103-0001 of Section 2 of the Budget Act of 2019 (SB 109), as amended by Section 2.00 of Chapter 21 of the Statutes of 2021 (AB 128), HCD will allocate \$5 million in funding to

counties for the support of housing navigators to help young adults aged 18 years and up to 21 years secure and maintain housing, with priority given to young adults in the foster care system. The county may use the funding to provide housing navigation services directly or through a contract with other housing assistance programs in the county. Counties are encouraged to coordinate with the local Continuum of Care to foster communication and collaboration.

The HNP program funds housing navigators for county child welfare agencies. The role of a housing navigator is to act as a housing specialist to assist young adults with their pursuits of locating available housing and overcoming barriers to locating housing. Housing navigator activities may include, but are not limited to:

- 1) Assist young adults aged 18-21 secure and maintain housing (with priority given to young adults in the state's foster care system);
- 2) Provide housing case management which include essential services in emergency supports to foster youth;
- 3) Prevent young adults from becoming homeless; and
- 4) Improve coordination of services and linkages to key resources across the community including those from within the child welfare system and the local Continuum of Care.

As a requirement to apply for and accept the allocation, applicants must submit a signed Resolution to HCD.
