HLAC Recommendation

On October 14, 2024, the HLAC designated the Cold Spring Canyon Bridge Church as a County Historic Landmark on the basis that:

- It was completed in 1964, and was designed by CA Division of Highways Bridge Department, which is renowned for exceptional bridge designs.
- It has a location with unique physical characteristics with a view representing an established and familiar visual feature of the County of Santa Barbara.
- It embodies elements of architectural design, detail, materials or craftsmanship that represent a significant structural or architectural achievement or innovation.

Potential Board Actions

- Approve the designation by, and confirm the action of, the HLAC and the conditions to be imposed, and adopt a resolution with conditions, designating Cold Spring Canyon Bridge as County Historic Landmark, and determine that the project is exempt pursuant to CEQA Section 15308;

- Modify the designation by the HLAC by modifying and adopting the resolution with conditions to be imposed, designating Cold Spring Canyon Bridge as a County Historic Landmark, and determine that the project is exempt pursuant to State CEQA Guidelines Section 15308; or

- Disapprove the designation of the HLAC designating the Cold Spring Canyon Bridge as a County Historic Landmark and the conditions to be imposed, and determine that the project is exempt pursuant to CEQA Section 15270
